 - (d) the Loan is a repayment mortgage loan, and not interest only; and
 - (e) the mortgage is a first-ranking mortgage (and not a second or subsequent mortgage); and
 - (f) the Loan falls within a Loan to Value range specified in the Lender’s current notice in effect under rule 7.1 or 7.2 at the Date of Completion and is of a type (that is, a New Loan or a type of Remortgage Loan) specified in such notice; and
 - (g) in the case of an Internal Remortgage Loan or a Group Remortgage Loan:

- (i) the Existing Loan is not in Arrears as at the date of the Mortgage Offer (or, in relation to a Loan falling within (ii) or (iii) of the definition of Internal Remortgage Loan, the date on which the relevant amendment or variation takes effect); and
 - (ii) the Lending Group Member and (if applicable) the other member of the Lender's Group which granted the Existing Loan has no record of any failure by the borrower(s) to make payment as and when due to the Lending Group Member or such other member of the Lender's Group, as applicable, in the twelve (12) months preceding the date of the Mortgage Offer (or, in relation to a Loan falling within (ii) or (iii) of the definition of Internal Remortgage Loan, the date on which the relevant amendment or variation takes effect); and
- (h) the Loan is granted to one or more individuals:
- (i) in the case of a New Loan, for the purchase by them; or
 - (ii) in the case of a Remortgage Loan, to be applied, or treated by the Lending Group Member as applied, in repayment of a loan to them for the purchase by them (or the Loan is treated as an Internal Remortgage Loan as a result of changes to a loan to them for the purchase by them),

of a residential property situated in the United Kingdom as the sole registered owners of the property, or as the only registered co-owners of it (and not as part of a shared ownership or shared equity scheme); and

- (i) the Lending Group Member either:
 - (i) obtained a statement by the individual (or, where there is more than one individual, at least one of the individuals) as part of its/their mortgage application process to the effect that none of the individuals referred to in rule 3.1(h) is the owner (in whole or in part) of an interest in any other property (wherever situated); or
 - (ii) is in possession of a declaration by the individual(s), in the form set out in Part 1 of Schedule 2 to these Rules, to the effect that none of the individuals referred to in rule 3.1(h) is the owner (in whole or in part) of an interest in any other property (wherever situated),

and the Lending Group Member is not aware that this is not the case; and

- (j) subject to rule 3.2, the Loan is a Regulated Mortgage Contract, which is not a Buy-To-Let Loan, and the Lending Group Member has not granted the borrower any consent to let, and accordingly at least one of those individuals intends to reside in the Property once it is purchased; and
- (k) the purchase price for the Property is not more than £600,000 (six hundred thousand pounds sterling); and
- (l) no part of the Property is being purchased with funds received from a Publicly-Assisted Loan; and
- (m) the Loan is granted by the Lending Group Member only after the Lending Group Member has:
 - (i) satisfied itself that the borrower is not (or, where there is more than one borrower, that none of the borrowers are) credit-impaired (as defined in Schedule 3 to these Rules); and
 - (ii) assessed that the Loan is affordable for the borrower (or, if more than one, the borrowers together) by (x) conducting an affordability assessment that takes into account the borrower's (or, if more than one, each of the borrowers') income, committed expenditure, and basic essential expenditure and quality-of-living costs, (y) conducting an affordability stress test against future interest-rate rises and (z) verifying the borrower's (or borrowers', as applicable) income as applied for the purpose of conducting the affordability assessment; and
- (n) the Loan is not (and has not become) ineligible under rule 5; and
- (o) the Loan is not an Offset Mortgage Loan or a Guarantor Mortgage Loan; and
- (p) in the case of a Remortgage Loan involving the advance of additional funds, the Lending Group Member either:
 - (i) obtained a statement by the individual (or, where there is more than one individual, at least one of the individuals) as part of its/their mortgage application process to the effect that none of such additional funds are to be used to purchase an interest in any other property (wherever situated); or

- (ii) is in possession of a declaration by the individual(s), in the form set out in Part 2 of Schedule 2 to these Rules, to the effect that none of such additional funds are to be used to purchase an interest in any other property (wherever situated),

and the Lending Group Member is not aware that this is not the case,

provided that, (with the exception of rules 3.1(f) and 3.1(m)(ii) above) where the Loan consists of more than one loan granted by the Lending Group Member at the same time and secured over the same property, the Loan is an Eligible Loan only if the above requirements are satisfied in respect of each such loan.

3.2 A Loan is not prevented from being an Eligible Loan as a result of rule 3.1(j) if:

- (a) the Borrower is a member of the Regular Forces or the Reserve Forces (each as defined in section 374 of the Armed Forces Act 2006); and
- (b) he or she is unable to reside in the Property once it is purchased due to his or her continuing a service posting in that capacity; and
- (c) where the Loan is granted with consent by the Lending Group Member to the Borrower to let, such consent is granted in accordance with the Lending Group Member's normal policies to enable the Borrower to continue to undertake that service posting.

3.3 The Lender shall procure that each Lending Group Member shall act in good faith and use all reasonable endeavours to determine whether each Loan is an Eligible Loan.

4. INFORMATION TO BE PROVIDED TO BORROWER

4.1 In relation to each Loan which is intended to be an Eligible Loan, the Lender shall procure that the relevant Lending Group Member shall provide the Borrower, before the Borrower is obliged to make the first payment in accordance with the Mortgage Terms, with a letter, in hard copy or electronic form, in the form specified by the Treasury. Such letter shall include reference to the Fair Processing Information, unless the Treasury agree that the Fair Processing Information may be given in another manner.

5. LOANS INELIGIBLE OR CEASING TO BE ELIGIBLE

5.1 A Loan is not an Eligible Loan if at the Date of Completion the Guarantee is inoperative in relation to the Lender (due to its suspension, termination or for any other reason).

5.2 An Eligible Loan ceases to be eligible under the Guarantee (and the Guarantee ceases to apply in relation to it) if:

- (a) subject as provided below, the terms of the Loan or the mortgage are changed (except where (i) the change relates solely to the rate of interest and/or the manner in which such rate is set or determined (including, without limitation, a change from fixed to variable or discounted to fixed, and whether such change shall occur in accordance with the terms of the Loan or on the application of the Borrower), (ii) the change is as a result of the Lending Group Member amending its standard terms applicable to borrowers generally, (iii) the change is limited to the addition of a further Borrower or the subsequent release of such a person as a Borrower or (iv) where the changes are limited to those made for the purpose of assisting the Borrower as part of a forbearance process); or
- (b) the Borrower grants a tenancy or lease of the Property to another person with the consent of the Lending Group Member, unless:
 - (i) the consent was given after the Date of Completion for the purpose of assisting the Borrower as part of a forbearance process; or
 - (ii) the consent was given after the Date of Completion to a Borrower who is a member of the Regular Forces or the Reserve Forces (each as defined in section 374 of the Armed Forces Act 2006) to enable them to undertake a service posting in that capacity; or
 - (iii) the consent was given after the Date of Completion for compassionate reasons relating to the Borrower (including without limitation due to the death of a family member, the breakdown of a relationship or the Borrower moving to a care home or nursing home) and the Lending Group Member has obtained a statement from the Borrower as to the reason; or
 - (iv) the consent was given more than 12 months after the Date of Completion for reasons related to the employment of the Borrower and the Lending Group Member has obtained a statement from the Borrower as to the reason; or
- (c) the Lending Group Member grants a further Loan (excluding, for the avoidance of doubt, a Remortgage Loan in respect of the Eligible Loan) to the Borrower (or, if more than one, to any of the Borrowers) which is secured by a mortgage over property.

For the avoidance of doubt, the reference in rule 5.2(a) to the terms of the Loan or the mortgage being changed includes without limitation a reference to an advance of additional funds, a fresh

grant of security (whether over the same property or a different property) or the release of one or more of the original Borrowers. In the event that the terms of the Loan or the mortgage are changed (other than as permitted by rule 5.2(a) (i), (ii), (iii) or (iv)), the amended Loan shall be treated as an Internal Remortgage Loan and shall cease to be eligible under the Guarantee unless the requirements of these Rules for Internal Remortgage Loans to be eligible under the Guarantee (including, without limitation, rule 3, rule 7.3, rule 16 and rule 17) are satisfied at that time by the Lender in relation to it.

5.3 Subject to rule 5.4, an Eligible Loan ceases to be eligible under the Guarantee (and the Guarantee ceases to apply in relation to it) if it (or any rights, obligations or interests in it or the mortgage securing it) is or are assigned or transferred to a person other than the Lending Group Member without the prior written consent of the Treasury.

5.4 An Eligible Loan (and any rights, obligations or interests in it or the mortgage securing it) may be assigned or transferred by the Lending Group Member to another person (or from that person to another person) where:

- (a) the Treasury have agreed to the assignment or transfer in writing in advance of it taking place; or
- (b) the assignment or transfer meets the conditions in rule 5.5.

5.5 The conditions are that the assignment or transfer:

- (a) is to:
 - (i) another of the Lender's Lending Group Members; or
 - (ii) the Bank of England to be utilised as collateral in the Bank of England's Discount Window Facility (including, without limitation, the Funding for Lending Scheme), but in each case only for so long as the Lending Group Member remains economically exposed to such Eligible Loan pursuant to the Discount Window Facility (including the Funding for Lending Scheme) as if it were the legal and beneficial owner of the rights to receive the cashflows payable by the Borrower under that Eligible Loan; or
 - (iii) a body corporate (or such other legal entity suitable for such purpose) in the course of securitisation or the issuance of covered bonds (whether or not the covered bonds are regulated under the Regulated Covered Bonds Regulations 2008) or any other process whereby funding is raised directly or indirectly on the security of the

Eligible Loan (each such process being a “mortgage-backed funding arrangement”) provided that:

- (A) the Eligible Loan continues to be serviced by the Lending Group Member or another member of the Lender’s Group (or a third party administrator engaged by the Lending Group Member or another member of the Lender’s Group) or, as a result of the insolvency or otherwise of the Lending Group Member or such other member of the Lender’s Group, the servicing of the Eligible Loan is assumed by another Lender or a member of such other Lender’s Group (the “Successor Servicer”) (or a third party administrator engaged by such Successor Servicer) (and references in these Rules to the Lender or (as the case may be) the Lending Group Member shall thereupon be deemed, so far as the context permits, to mean the Successor Servicer except that the Successor Servicer will not be liable for any prior breach of these Rules by the original Lender); and
- (B) the treatment of that Eligible Loan by the Lending Group Member or such other member of the Lender’s Group (or, as the case may be, the third party administrator) does not differ from the treatment of other Loans included in the mortgage-backed funding arrangement; and
- (C) the internal assurance functions of the Lender, the Lending Group Member and the Treasury have full access to the information and documentation relating to the Eligible Loan in order to assess compliance by the Lender with its obligations under these Rules in relation to such Eligible Loan as if the assignment or transfer had not been affected.

5.6 Notwithstanding rule 5.4, the benefit of the Guarantee may not be assigned or transferred by the Lender to any other person without the prior consent in writing of the Treasury. In the event that the Treasury do give such consent, references in these Rules and the Deed of Guarantee to the Lender shall be read as references to such assignee or transferee, and the remaining provisions of these Rules and the Deed of Guarantee shall be read and construed accordingly.

5.7 If an Eligible Loan (or rights, obligations or interests in it or the mortgage securing it) is or are assigned or transferred by the Lending Group Member to another person (or from that person to another person) in accordance with rule 5.4, then (except to the extent that the Treasury agree otherwise in giving consent under rule 5.4(a) or the context otherwise requires) any Loss suffered or expected to be suffered by the assignee or transferee shall be deemed for the purposes of these Rules

and the Guarantee to be a Loss suffered or expected to be suffered by the Lending Group Member (and not by the assignee or transferee) such that the Lender shall be as entitled to make a Claim, and receive payment in respect thereof, in respect of such Eligible Loan as if the Eligible Loan (or such rights, obligations or interests) had not been assigned or transferred (and in such a case the measure of the Lending Group Member's Loss shall be the same as the measure of the assignee's or transferee's actual Loss), and all references in these Rules or the Guarantee to the Lending Group Member in relation to:

- (a) costs, fees, charges or expenses of the Lending Group Member; or
- (b) amounts owing, payable, paid or treated as paid to the Lending Group Member; or
- (c) sale, possession, foreclosure or other proceedings by the Lending Group Member; or
- (d) recoveries by the Lending Group Member,

shall be deemed to include references to such assignee or transferee.

PART 3 – LENDING AND ARREARS ETC. POLICIES AND PRACTICES

6. LENDING AND ARREARS ETC. POLICIES AND PRACTICES

6.1 The Lender must ensure that, when acting in connection with the Scheme and throughout the process of originating, administering and managing Eligible Loans (including its approach to arrears and repossessions), the Lender, each member of the Lender's Group and any third party administrator engaged by the Lender or by a member of its Group:

- (a) acts in accordance with the objective of the Scheme to support the provision of high loan-to-value residential mortgages to borrowers who can afford them; and
- (b) acts in accordance with the ordinary-course of business, lending, fraud, arrears and repossessions policies, practices and procedures of the Lender and its Group (including the policies, practices and procedures which the relevant Lending Group Member would apply in the ordinary course of business when originating, administering, structuring, managing, recovering arrears or seeking repossession in relation to any Loan which is equivalent or similar to an Eligible Loan), to the extent consistent with (i) the business, lending, fraud, arrears and repossessions policies, practices and procedures of a reasonable and prudent mortgage lending organisation, (ii) regulatory principles and standards applicable to it and (iii) good industry practice; and

- (c) acts in a fair and equitable way and without distorting its normal distribution of mortgage lending, or its approach to arrears and repossessions, beyond the changes that are necessary to meet the Scheme's objectives.

6.2 If the Lender or another member of its Group engages another person to manage its arrears and repossession operations, the Lender must procure that that person, in its approach to arrears and repossessions, does not treat Loans which are subject to the Guarantee differently from those which are not.

PART 4 – PARTICIPATION IN SCHEME: LOAN TO VALUE BANDS

7. LOAN TO VALUE BANDS: LENDER NOTICE TO TREASURY

7.1 No later than five (5) Business Days before the Commencement Date the Lender must notify the Treasury in writing whether, in respect of each Lending Group Member, such Lending Group Member's participation in the Scheme on and from the Commencement Date extends to Loans in any or all of the following Loan to Value ranges:

- (a) at least eighty per cent. (80%) and less than or equal to eighty five per cent. (85%); and/or
- (b) more than eighty five per cent. (85%) and less than or equal to ninety per cent. (90%); and/or
- (c) more than ninety per cent. (90%) and less than or equal to ninety five per cent. (95%),

and, in each case, whether such participation extends to (i) Loans of all types (that is, New Loans and Remortgage Loans), (ii) Loans of all types other than Internal Remortgage Loans or (iii) New Loans only.

7.2 Subject to prior consultation with the Treasury, the Lender may, on behalf of any Lending Group Member, at any time on or after the Commencement Date give the Treasury a further notice of the kind described in rule 7.1 which supersedes the original notice under rule 7.1 or any subsequent notice under this rule 7.2. Any such notice shall take effect at the end of the last day of the calendar month in which it is given (unless it is given less than five (5) Business Days before the end of that calendar month, in which event it shall take effect at the end of the last day of the immediately following calendar month) or, if later, the date specified therein (provided that such date is no more than three (3) months following the date of the notice). For the avoidance of doubt, a notice under this rule 7.2 may be a notice that the Lending Group Member no longer wishes to participate in the Scheme (that is, in any Loan to Value range), in which case the Guarantee shall cease to apply in relation to any Eligible Loan of that Lending Group Member in respect of which the Date of

Completion is after the date on which such notice takes effect (but without otherwise affecting any liability incurred under the Guarantee).

- 7.3 Each and every Eligible Loan granted by a Lending Group Member with a Date of Completion which falls during the period in respect of which a notice under rule 7.1 or 7.2 is in effect (and with a Loan to Value falling within the range(s) specified in such notice and being of a type specified in such notice) must be notified by the Lender to the Treasury under rule 16.1 and Schedule 1 to these Rules and shall be subject to the Guarantee.
- 7.4 The Lender shall procure that no Lending Group Member shall grant any Eligible Loans without the Lender notifying them to the Treasury in accordance with rule 7.3.

PART 5 – SUSPENSION OF GUARANTEE AND SCHEME CLOSURE

8. SUSPENSION OF GUARANTEE OBLIGATIONS

- 8.1 Where the Treasury are of the opinion that:
- (a) an Event of Insolvency has occurred or is likely to occur in relation to the Lender; or
 - (b) the Lender or another of its Lending Group Members has, or may have, committed serious or persistent breaches of the regulatory requirements governing Regulated Mortgage Contracts; or
 - (c) the Treasury or Her Majesty's Government are the subject of proceedings commenced in relation to the Guarantee brought under the Treaty on the Functioning of the European Union (or any legislation having force under that Treaty) and a suspension of the Guarantee is necessary to comply with a decision of the European Commission, the Court of Justice of the European Union or a court in the United Kingdom, or to reach or give effect to an agreed resolution of any such proceedings; or
 - (d) it is necessary to suspend the operation of the Guarantee; or
 - (e) an amount due to the Treasury by way of a Commercial Fee under Part 10 of these Rules remains outstanding more than three (3) months after the due date for payment; or
 - (f) material information required to be provided to the Treasury under Part 9 of these Rules has not been provided in accordance with those provisions for at least three (3) consecutive months; or

- (g) either the Prudential Regulation Authority or the Financial Conduct Authority has advised the Treasury that in its opinion and having regard to its statutory objective the Lender's participation in the Scheme should be suspended; or
- (h) the Lender fails to perform or observe any of its obligations under these Rules or the Guarantee where such failure is material (in the opinion of the Treasury, acting reasonably) and (except where, in the opinion of the Treasury, acting reasonably, the failure is incapable of remedy, when no such continuation or notice as is referred to in this rule 8.1(h) will be required) the failure continues for a period of ten (10) Business Days following the giving of notice by the Treasury to the Lender requiring the same to be remedied,

the Treasury may serve a written notice on the Lender to that effect ("a Guarantee Suspension Notice").

- 8.2 Subject to rules 8.3 and 8.5, the Treasury shall not be liable for any Recoverable Losses in relation to any Eligible Loan in respect of which the Date of Completion is on or after the twentieth (20th) Business Day following the day on which a Guarantee Suspension Notice was received by the Lender pursuant to rule 8.1 (or such later day as may be specified in the Guarantee Suspension Notice) ("the Guarantee Suspension Date"), unless the Eligible Loan is granted with the Treasury's prior written consent (in which case the Guarantee applies in relation to that Eligible Loan).
- 8.3 A Guarantee Suspension Notice suspends the applicability of the Guarantee to any Eligible Loan in respect of which the Date of Completion is on or after the Guarantee Suspension Date (subject to and in accordance with rule 8.2) but does not otherwise affect any liability incurred under the Guarantee.
- 8.4 The Treasury's consent under rule 8.2 may be given in relation to specific Eligible Loans, or categories of Eligible Loans, and may be given subject to any conditions which the Treasury consider appropriate.
- 8.5 The Treasury may serve a written notice ("a Revocation Notice") on the Lender to the effect that a Guarantee Suspension Notice is revoked with effect on and from a date specified in the Revocation Notice ("the Suspension Revocation Date"); and if a Revocation Notice so states the Treasury shall be liable for any Recoverable Losses in relation to any Eligible Loan in respect of which the Date of Completion is on or after the Guarantee Suspension Date (or any later date specified in the Revocation Notice) but before the Suspension Revocation Date.
- 8.6 The reference in rule 8.1(c) to the commencement of proceedings includes a reference to the initiation of action by the European Commission under Article 258 of the Treaty on the Functioning of the European Union by notice given by letter to Her Majesty's Government.

- 8.7 The application of rule 8.1(c), (d) or (g) is a matter to be determined by the Treasury.
- 8.8 Subject to rule 8.9 the Treasury must consult the Lender before deciding to serve a Guarantee Suspension Notice.
- 8.9 Rule 8.8 does not apply where the Treasury consider that prior consultation could materially prejudice their, or Her Majesty's Government's, rights or interests, or that it is not practicable in the circumstances (but in such a case the Treasury shall undertake such consultation (if any) as they are reasonably able to undertake, as soon as they are reasonably able to undertake it).

9. LEVEL OF CONTINGENT LIABILITIES: NOTICE BY TREASURY

- 9.1 Where the Treasury are of the view that their total contingent liability under the Scheme has reached or is approaching £9,000,000,000 (nine billion pounds sterling) they shall give a written notice to the Lender to that effect.

10. SCHEME LIMIT: SCHEME CLOSURE

- 10.1 Her Majesty's Government has made available £12,000,000,000 (twelve billion pounds sterling) as the Scheme Limit. Where the Treasury are of the view that their total contingent liability under the Scheme has reached or is approaching the Scheme Limit they shall give a written notice to the Lender to that effect ("a Closure Notice").
- 10.2 A Closure Notice takes effect at the beginning of the day which is three months after the day on which the Closure Notice is given to the Lender.
- 10.3 The Guarantee shall cease to apply in relation to any Eligible Loan in respect of which:
- (a) the Date of Completion is on or after the Closure Date; or
 - (b) the date of the Mortgage Offer is later than three (3) Business Days following the date on which a Closure Notice is given to the Lender,

but does not otherwise affect any liability incurred under the Guarantee.

PART 6 – REPOSSESSIONS AND CLAIMS

11. WHEN CLAIMS MAY BE MADE

- 11.1 Subject to rule 11.2, the Lender may make a Claim in respect of a Recoverable Loss if:
- (a) either:

- (i) the Property has been sold and the extent of the Lending Group Member's Loss has been determined; or
 - (ii) the Claim is in respect of an Expected Loss; and
- (b) a period of not more than twenty one (21) months has elapsed since the Default Date or, if the Claim is in respect of an Expected Loss, a period of not less than nineteen (19) months has elapsed since the Default Date; and
- (c) a period of not more than seven (7) years has elapsed since the Date of Completion; and
- (d) the Lender has submitted documentation, a list of which the Treasury shall have specified to the Lender prior to the Commencement Date (and which may be updated by them, acting reasonably, from time to time), evidencing that, in relation to the relevant Delinquent Loan, the Lending Group Member (and any person engaged by the Lending Group Member to manage its arrears and repossession operations) is or are to their knowledge not in breach of:
- (i) Section 13 of MCOB; or
 - (ii) in the event of repossession, the Ministry of Justice's Pre-Action Protocol for Possession Claims based on Mortgage or Home Purchase Plan Arrears in Respect of Residential Property; and
- (e) the Lender notified the Treasury of the Borrower's Default as part of the information provided pursuant to rule 16.1 (subject to rule 16.4) in respect of the calendar month in which the Lending Group Member became aware of the Default.

11.2 Notwithstanding rule 11.1, no Claim may be made in respect of a Recoverable Loss in relation to a Delinquent Loan which has been entered into, or in respect of which any actions or omissions have been taken or not taken in relation to these Rules and/or the Guarantee, as a consequence of any conduct constituting fraud by the Lending Group Member, its directors, officers, employees or agents or by any other person acting on behalf of the Lending Group Member, in each case as finally determined by a court, an arbitrator or any relevant United Kingdom regulatory authority. If, following payment of a Claim by the Treasury, the circumstances in the preceding sentence arise or become known to the Treasury, the Lender shall (i) return to the Treasury in full the amount paid by the Treasury in respect of the Claim (less an amount equal to the amount of any Recovered Monies previously allocated and paid to the Treasury in accordance with rule 14) and (ii) pay interest to the Treasury on such amount at the Specified Rate for the time being from the date of payment by the Treasury of such Claim, in each case within twenty (20) Business Days of the date of notification of the same by the Treasury to the Lending Group Member.

12. REDUCTION OF CLAIMS

12.1 If a Borrower pays any amount outstanding in respect of an Eligible Loan to the Lending Group Member before a Claim submitted to the Treasury in respect of that Loan has been paid, the Claim shall be recalculated and (if and to the extent relevant) deemed to be reduced accordingly.

13. MONTHLY ACCOUNTS AND REMITTANCES FOR CLAIMS

13.1 No later than ten (10) Business Days after the end of each calendar month, the Lender shall submit to the Treasury an account detailing:

- (a) each Claim which is being made in respect of that calendar month, and the total amount of such Claims (“C”); and
- (b) the amount of the Recovered Monies that have been allocated to the Treasury during that calendar month or that have been recovered or received in respect of any Loan the Claim for which has been submitted to the Treasury but not yet paid (“RM”); and
- (c) the amount of any Claim Amount Adjustment (as determined in accordance with rule 13.5(e) and/or rule 19) agreed or determined during that calendar month (“CA”).

13.2 In respect of each Eligible Loan for which a Claim is made, the Lender shall also submit the information set out in Schedule 4 to these Rules together with the account referred to in rule 13.1.

13.3 The account shall include a calculation of the net amount payable in respect of such calendar month (“N”), where:

$$N = C - RM - CA.$$

13.4 If N is:

- (a) greater than zero, an amount equal to N is payable by the Treasury to the Lender; or
- (b) less than zero, an amount equal to the numerical value of N (disregarding the minus sign and the fact that it is negative) is payable by the Lender to the Treasury.

13.5 Any amount payable under rule 13.4 shall be paid by the relevant Party to the other no later than the last Business Day of the Quarter immediately following the calendar month in respect of which the account referred to in rule 13.1 is submitted or, if the Claim is in respect of an Expected Loss, no later than the last Business Day of the Quarter immediately following the end of the Required Period (“the Settlement Date”), subject to the following:

- (a) the Treasury shall have no obligation to pay a Claim on or before the Settlement Date unless they shall have received the account referred to in rule 13.1 and the information referred to in rule 13.2 by the deadline specified in rule 13.1 (and if such account and/or information is submitted late the relevant payment by the Treasury shall instead be payable on or before the last Business Day of the Quarter immediately following (i) the calendar month in which the account and information are submitted (if submitted on or before the tenth (10th) Business Day of such calendar month) or, otherwise, (ii) the calendar month immediately following that in which the account and information are submitted); and
- (b) if in relation to any Claim the Treasury are not satisfied that the requirements of rule 3.1, rule 11.1 and this rule have been met or are not satisfied as to the calculation of any amount of Recovered Monies, they may notify the Lender of such fact, in which event the Claim shall be a Disputed Claim; and
- (c) if the Treasury notify the Lender of a Disputed Claim on or before the third (3rd) Business Day before the Settlement Date, the amount payable under rule 13.4 shall (if payable by the Treasury) be adjusted to the amount which the Treasury consider to be payable and (if payable by the Lender) shall remain as calculated by the Lender under rule 13.3; and
- (d) for the avoidance of doubt, nothing in these Rules shall prevent the Treasury notifying the Lender of a Disputed Claim under paragraph (b) above after the payment referred to in rule 13.4 has been made; and
- (e) if as a result of the dispute procedures set out in rules 19.1 to 19.5 the amount payable by one Party to the other under rule 13.4 is determined to be different from that actually paid (whether pursuant to rule 13.4 or paragraph (c) above), the amount of the balance (together with any amount of expenses payable by one Party to the other pursuant to rule 19.5) shall be a Claim Amount Adjustment for the purposes of rule 13.1(c).

13.6 Where a Claim is in respect of an Expected Loss, the account referred to in rule 13.1 shall set out the calculation of the Expected Loss. The following provisions shall also apply to a Claim in respect of an Expected Loss (in addition to rule 14):

- (a) subject to paragraph (d) below, if following payment of the Claim by the Treasury the Property is sold, the Lender must prepare a reconciliation of the Expected Loss within twenty (20) Business Days of the completion of the sale, and the Loss shall be recalculated by reference to the proceeds of sale and after taking account of any Recovered Monies previously allocated in accordance with rule 14 (“the Actual Loss”) (and, for the avoidance of doubt, any such reconciliation shall not itself be a Claim); and

- (b) subject to rules 19.1 to 19.5, if the Actual Loss is greater than the amount paid by the Treasury in respect of the Expected Loss, the Treasury shall pay the difference to the Lender within twenty (20) Business Days of the reconciliation; and
- (c) subject to rules 19.1 to 19.5, if the Actual Loss is less than the amount paid by the Treasury in respect of the Expected Loss, the Lender shall pay the difference to the Treasury within twenty (20) Business Days of the reconciliation; and
- (d) if the Property is not sold by the date which is one (1) year after the date on which the Lender made the Claim (“the Cut-Off Date”), the Lender shall (i) return to the Treasury in full the amount paid by the Treasury in respect of the Claim (less an amount equal to the amount of any Recovered Monies previously allocated and paid to the Treasury in accordance with rule 14) and (ii) pay interest to the Treasury on such amount at the Specified Rate for the time being from the date of payment by the Treasury of the Claim, in each case within twenty (20) Business Days of the Cut-Off Date.

In the event that, following a Claim in respect of an Expected Loss, the Borrower repays sufficient Arrears due to the Lending Group Member in respect of a Loan such that it would no longer constitute a Delinquent Loan (i) the Lending Group Member shall promptly notify the Treasury, (ii) the Loan shall no longer be treated as a Delinquent Loan as at that date, (iii) the Claim in respect of such Loan shall be deemed to have been withdrawn, (iv) if payment of the Claim has been made by the Treasury, the Lender shall return to the Treasury in full the amount paid by the Treasury in respect of the Claim (less an amount equal to the amount of any Recovered Monies previously allocated and paid to the Treasury in accordance with rule 14) and (v) the requirement of rule 13.6(d) shall no longer apply in relation to that Claim. In the event that a subsequent Default shall occur in relation to such Eligible Loan, the Lender may make a fresh Claim in respect of such subsequent Default, subject to and in accordance with these Rules, and in relation thereto the Required Period shall be calculated by reference to the date of such subsequent Default.

- 13.7 All payments under this rule 13 by one Party to the other shall be made by or on behalf of the paying Party to such bank account as the receiving Party shall have notified in writing to the paying Party on or before the Commencement Date (or, in the event of a change, notified not less than five (5) Business Days before the date on which the relevant payment is due).
- 13.8 If either Party fails to make a payment due under this rule 13 by the applicable due date, such Party shall be liable to pay interest to the other Party on the outstanding amount at the Specified Rate for the time being.

- 13.9 The Treasury shall have no responsibility for the allocation by the Lender between it and its other Lending Group Members of any monies paid to the Lender by the Treasury pursuant to these Rules or the Guarantee.

PART 7 – RECOVERIES FROM BORROWER

14. RECOVERIES FROM BORROWER AFTER CLAIM PAID

- 14.1 Save as permitted by rules 14.2 to 14.5 the Treasury waive any right of subrogation they may have against a Borrower and third parties (including, without limitation, solicitors and valuers) in respect of Claims paid under the Guarantee.

- 14.2 To the extent permitted by law, following payment of a Claim the Lender shall, or (as the case may be) shall procure that the relevant Lending Group Member shall, use commercially reasonable efforts to recover, seek and pursue any Shortfall or Expected Loss (“Recovery Efforts”) from:

- (a) a Borrower in accordance with its Arrears and Possessions Procedures; and
- (b) any third party in accordance with normal business practice,

save that the Lending Group Member shall not be obliged to pursue any Recovery Efforts unless it, in its absolute discretion, considers it appropriate to do so. For the avoidance of doubt, Recovery Efforts shall include exercise of any rights of netting, set-off and contribution available to the Lending Group Member.

- 14.3 The Lending Group Member shall at all times have conduct of all Recovery Efforts and the Treasury agree to be bound by all adjustments, settlements and compromises made by the Lending Group Member in seeking or pursuing any Loss.

- 14.4 Subject as provided in the last paragraph of rule 13.6, any Recovered Monies shall be allocated as follows as soon as reasonably practicable after receipt thereof by the Lending Group Member:

- (a) first, to the Lender in the discharge of all Allowable Costs paid or payable by the Lending Group Member in pursuing Recovered Monies and all associated legal fees; and
- (b) secondly, to the Lender, to the extent that the Recovered Monies when added to the proceeds of sale of the Property represent up to eighty per cent. (80%) of the Value of the Property; and
- (c) thirdly, to the Treasury in reimbursement of the amount paid by the Treasury in respect of the Claim; and

(d) fourthly, as to the balance, to the Lender.

14.5 In relation to a Claim in respect of an Expected Loss:

- (a) the obligations of the Lender pursuant to this rule 14 to procure the pursuit of Recovery Efforts and to pass Recovered Monies to the Treasury shall continue notwithstanding the Guarantee terminating or ceasing to have effect; and
- (b) the provisions of rule 13.6 shall also apply.

PART 8 – AUDIT

15. AUDIT

(a) *Initial internal audit*

15.1 The Lender must, not later than six (6) months after the Date of Completion of the first Eligible Loan granted by a Lending Group Member (or, if the Treasury in its absolute discretion agrees, at the same time as the initial Annual Internal Audit is carried out pursuant to rule 15.5), ensure that its internal audit team carries out an audit (“an Initial Internal Audit”) of the activities of the Lender and each of its other Lending Group Members under the Scheme.

15.2 An Initial Internal Audit must test a sample of Loans to ensure that:

- (a) the requirements in rule 3.1 are complied with; and
- (b) the Loan was notified to the Treasury in accordance with rule 7.3; and
- (c) the requirements of rule 16 have been complied with and all information provided to the Treasury was complete and accurate as at the date given.

15.3 The sample of Loans for the purpose of the Initial Internal Audit must:

- (a) include Loans in respect of which the Date of Completion falls within the first two (2) months after the Date of Completion of the first Eligible Loan granted by a Lending Group Member; and
- (b) be at least the following size (calculated, in respect of each Lending Group Member, by reference to the total number of the Eligible Loans granted by such Lending Group Member at the date of commencement of the Initial Internal Audit):

- (i) if the total number of the Eligible Loans granted by the Lending Group Member subject to the Guarantee is less than 20, each Eligible Loan; and
- (ii) if the total number of such Eligible Loans is greater than twenty (20) but equal to or less than two hundred and fifty (250), twenty (20) or ten per cent. (10%) of that total number (whichever is the greater); and
- (iii) if the total number of such Eligible Loans is greater than two hundred and fifty (250) but equal to or less than one thousand (1,000), twenty five (25) or five per cent. (5%) of that total number (whichever is the greater); and
- (iv) if the total number of such Eligible Loans is greater than one thousand (1,000), (x) fifty (50) or three per cent. (3%) of that total number (whichever is the greater) or, if lower, (y) 300.

15.4 No later than ten (10) Business Days following the expiry of the period referred to in rule 15.1 the Lender must submit a report in writing to the Treasury describing:

- (a) the findings of the Initial Internal Audit, the audit process undertaken and the evidence upon which the findings are based; and
- (b) any material divergences from the policies and procedures of the Lender or any of its other Lending Group Members, or from these Rules, that were detected in the audit, the management action recommended or adopted to address those divergences and the implementation timescale for such action.

(b) *Annual internal audit*

15.5 Not later than the end of October of each year (unless the Lender is granted a later deadline by the Treasury) the Lender must ensure that its internal audit team carries out an audit (“an Annual Internal Audit”) of the activities of the Lender and each of its other Lending Group Members under the Scheme.

15.6 An Annual Internal Audit must include an assessment of whether:

- (a) the Lender and each of its other Lending Group Members have in place policies and procedures (including internal controls and governance processes) to ensure compliance with these Rules; and
- (b) that the operational practices of the Lender and each of its other Lending Group Members comply with these Rules.

15.7 Not later than ten (10) Business Days following the expiry of each of the periods referred to in rule 15.5 the Lender must submit a report in writing to the Treasury describing:

- (a) the findings of the Annual Internal Audit for that period, the audit process undertaken and the evidence upon which the findings are based; and
- (b) any material divergences from the policies and procedures of the Lender or any of its other Lending Group Members, or from these Rules, that were detected in the audit (or in any previous Annual Internal Audit or the Initial Internal Audit), the management action recommended or adopted to address those divergences and the implementation timescale for such action.

(c) *Annual audit by Treasury*

15.8 Not later than two (2) months after the expiry of each of the periods referred to in rule 15.5 the Treasury (or an agent acting on behalf of the Treasury) shall carry out an audit (“an External Audit”) of the activities of the Lender and each of its other Lending Group Members under the Scheme.

15.9 The purpose of an External Audit is to provide the Treasury with reasonable assurance that these Rules are being complied with, and to identify and make recommendations in respect of any instances of non-compliance.

15.10 An External Audit shall include:

- (a) an evaluation of the policies and procedures (including internal controls and governance processes) that the Lender and each of its other Lending Group Members have in place to ensure compliance with these Rules; and
- (b) an assessment, based on a sample of Loans, of whether these Rules are being complied with when Eligible Loans are originated and, where applicable (such as the terms of an Eligible Loan changing only due to forbearance actions), throughout duration of the Scheme; and
- (c) an assessment of whether the information provided by the Lender to the Treasury pursuant to these Rules is complete and accurate as at the date it was given; and
- (d) (where applicable) an evaluation of the progress made on any recommendations arising from the Initial Internal Audit or a previous Annual Internal Audit or External Audit.

15.11 An External Audit shall be carried out by:

- (a) testing, comparing and evaluating the policies and procedures (including internal controls and governance processes) that the Lender and each of its other Lending Group Members have in place to ensure compliance with these Rules against the answers to the Lending Policy Questionnaire submitted by the Lender in accordance with rule 16.3 and against their current lending, fraud, arrears and repossessions policies, practices and procedures; and
- (b) testing a sample of Loans to ensure that the normal commercial lending processes of the Lender and each of its other Lending Group Members have been followed and that they are acting in compliance with rule 6.1 (including, if appropriate, a comparison of Loans within and outside the Scheme); and
- (c) testing a sample of Loans to ensure that the information provided by the Lender in accordance with rule 16 is accurate, complete and up to date.

15.12 The maximum size of the sample of Loans audited during an External Audit (calculated, in respect of each Lending Group Member, by reference to the total number of the Eligible Loans granted by such Lending Group Member at the date of commencement of the External Audit) shall be:

- (a) if the total number of the Eligible Loans granted by the Lending Group Member subject to the Guarantee is equal to or less than two hundred and fifty (250), twenty (20) or ten per cent. (10%) of that total number (whichever is the greater); and
- (b) if the total number of such Eligible Loans is greater than two hundred and fifty (250) but equal to or less than one thousand (1,000), twenty five (25) or five per cent. (5%) of that total number (whichever is the greater); and
- (c) if the total number of such Eligible Loans is greater than one thousand (1,000), (i) fifty (50) or three per cent. (3%) of that total number (whichever is the greater) or, if lower, (ii) 300,

provided that, notwithstanding the above, if the Treasury (or the agent acting on behalf of the Treasury) considers it necessary to increase the size of the sample of Loans audited during an External Audit for the purpose of ensuring that it has reasonable assurance as to the Lender's compliance with these Rules, the Treasury (or such agent) may increase the size of such sample to the extent that it considers necessary to provide such reasonable assurance.

(d) *Spot-checks*

15.13 Subject to rule 15.14, at any time prior to the Termination Date, and upon reasonable notice being given to the Lender, the Treasury (or an agent acting on behalf of the Treasury) may conduct an audit

(“a Spot-Check”) of a sample of Loans originated by the Lender and its other Lending Group Members to ensure that these Rules have been complied with in relation to those Loans.

15.14 The maximum size of the sample of Loans audited during a Spot Check (calculated, in respect of each Lending Group Member, by reference to the total number of the Eligible Loans granted by such Lending Group Member at the date of commencement of the Spot Check) shall be:

- (a) if the total number of the Eligible Loans granted by the Lending Group Member subject to the Guarantee is equal to or less than two hundred and fifty (250), twenty (20) or ten per cent. (10%) of that total number (whichever is the greater); and
- (b) if the total number of such Eligible Loans is greater than two hundred and fifty (250) but equal to or less than one thousand (1,000), twenty five (25) or five per cent. (5%) of that total number (whichever is the greater); and
- (c) if the total number of such Eligible Loans is greater than one thousand (1,000), (i) fifty (50) or three per cent. (3%) of that total number (whichever is the greater) or, if lower, (ii) 300.

(e) *General*

15.15 An Initial Internal Audit, Annual Internal Audit, External Audit or Spot Check shall be based on such audit questions as the Treasury may consider to be appropriate. If and to the extent necessary to avoid any breach of applicable law (including, without limitation, the Data Protection Legislation), information relating to Loans which are outside the Scheme may be provided to the Treasury on an anonymised basis.

15.16 If during the course of an External Audit or Spot Check the Treasury discover that:

- (a) the policies and procedures (including internal controls and governance processes) that the Lender and its other Lending Group Members have in place to ensure compliance with these Rules have not been complied with; or
- (b) these Rules have not been complied with in any material respect; or
- (c) the information provided by the Lender to the Treasury pursuant to these Rules is incomplete or inaccurate; or
- (d) no or insufficient progress has been made in relation to any recommendations arising from the Initial Internal Audit or a previous Annual Internal Audit or External Audit,

details of the discoveries shall be brought to the Lender's attention in a report prepared by or on behalf of the Treasury, which will include any recommendations that the Treasury may have.

- 15.17 If an External Audit or Spot Check discloses a significant number of instances of non-compliance (of any of the kinds specified in rule 15.16) the Treasury (or an agent acting on behalf of the Treasury) may:
- (a) conduct an additional External Audit or Spot Check within a reasonable period and produce a further report to the Lender; and/or
 - (b) require the Lender to notify the Prudential Regulation Authority and/or the Financial Conduct Authority (or any successor body to either of them) of such instances of non-compliance.
- 15.18 If following a further report under rule 15.17(a) it is discovered (by a further Spot Check or otherwise) that remedial action has not been implemented by the Lender or that further instances of non-compliance are occurring, the Treasury may convene, upon reasonable notice, a meeting with representatives of the Lender.
- 15.19 The Lender shall send an appropriate representative to such a meeting, at which the Lender and the Treasury will use their best endeavours to agree a plan of action to address any outstanding matters arising from an External Audit or Spot Check. An additional External Audit or Spot Check may be conducted by the Treasury (or an agent acting on behalf of the Treasury) to assess the Lender's progress in implementing the plan of action.
- 15.20 In the event that mutual agreement between the Lender and the Treasury to resolve any outstanding matters cannot be achieved having followed the above process, the Treasury shall give the Lender ten (10) Business Days written notice to comply with the Treasury's recommendations.
- 15.21 If a notice given under rule 15.20 is not complied with to the satisfaction of the Treasury, the Treasury shall have the option to terminate the Guarantee as it applies to any new Loan in respect of which the Date of Completion is on or after the twentieth (20th) Business Day following notice in writing by the Treasury to the Lender (but without otherwise affecting any liability incurred under the Guarantee).
- 15.22 In the event that the Guarantee is terminated as stated in rule 15.21, the Treasury must immediately notify the Prudential Regulation Authority and the Financial Conduct Authority or any successor body to either of them.

- 15.23 For the avoidance of doubt, the provisions in rules 15.16 to 15.22 are without prejudice to the Treasury's rights to suspend the applicability of the Guarantee pursuant to rule 8.

PART 9 – PROVISION OF INFORMATION TO TREASURY

16. INFORMATION TO BE PROVIDED TO TREASURY

- 16.1 The Lender shall provide the information described in Part 1 of Schedule 1 to these Rules in writing or in electronic form to the Treasury on or as soon as practicable after the Date of Completion in respect of the relevant Eligible Loan or (as the case may be) within twenty (20) Business Days following the end of each calendar month during the Term (as indicated in that Part 1).
- 16.2 The Lender shall have completed the Lending Policy Questionnaire and submitted it in writing to the Treasury before the Commencement Date.
- 16.3 The Lender shall provide the information described in Part 3 of Schedule 1 to these Rules in writing to the Treasury within five (5) Business Days following the expiry of each period of six (6) calendar months during the Term.
- 16.4 If the Lender becomes aware of an error in any of the information provided by it to the Treasury (whether pursuant to rule 11, rule 13, this rule 16 or otherwise), it shall notify the Treasury thereof (and provide the corrected information to the Treasury) as soon as reasonably practicable.

PART 10 – COMMERCIAL FEE

17. COMMERCIAL FEE

- 17.1 The amount of the Commercial Fee to be paid by the Lender to the Treasury shall be calculated, in respect of each Eligible Loan, as a percentage (“the Relevant Percentage”) of the Original Principal Balance of the Loan. The Relevant Percentage shall be that applicable for the Guarantee Year in which the Date of Completion in respect of the Loan falls and for the range in which the Loan to Value of the Loan falls. Each of the Relevant Percentages shall be determined by the Treasury and notified to the Lender in writing or in electronic form:
- (a) prior to the Commencement Date (in the case of the first Guarantee Year); or
 - (b) in accordance with rule 17.2 (in the case of the second and third Guarantee Years).
- 17.2 Notice by the Treasury under rule 17.1(b) must be given no later than three (3) months before the commencement of the Guarantee Year to which the notice relates.

- 17.3 The Lender shall be liable to pay to the Treasury the Commercial Fee calendar monthly in arrear in an amount equal to (a) the Relevant Percentage applicable for the Guarantee Year in which the relevant calendar month (or part thereof) falls in accordance with rule 17.1 multiplied by (b) the aggregate of the Original Principal Balance in respect of all Eligible Loans (within each relevant Loan to Value range) granted by the Lender or another of its Lending Group Members and in respect of which the Date of Completion falls in the relevant calendar month.
- 17.4 In respect of each calendar month the Treasury shall notify the Lender in writing or in electronic form of the total amount payable by the Lender for that calendar month as soon as reasonably practicable, and no more than thirty (30) Business Days after the end of that calendar month, calculated in accordance with rule 17.3.
- 17.5 Subject to rule 20.1, the amount calculated pursuant to rule 17.3 must be paid:
- (a) by or on behalf of the Lender into a bank account operated by the Treasury specifically for that purpose the details of which are notified by the Treasury in writing to the Lender; and
 - (b) within twenty (20) Business Days of the receipt of a notice under rule 17.4.
- 17.6 In the event that the Lender notifies the Treasury in accordance with rule 16.4, and without prejudice to the Treasury's other rights under these Rules, the Treasury may recalculate the amount of the relevant Commercial Fee in the light of the corrected information provided under rule 16.4, and an appropriate adjusting payment shall be made by the relevant Party to the other in such manner as the Treasury may determine. If any such adjusting payment shall be payable to the Treasury, the Lender shall pay interest to the Treasury on the amount of such adjusting payment at the Specified Rate for the time being from the date on which the relevant Commercial Fee would have been payable if such error had not occurred.

18. ADJUSTMENT OF COMMERCIAL FEE

- 18.1 If the conditions in rule 18.2 are met the Treasury may at any time before the Termination Date serve a notice in writing on the Lender stating that the Commercial Fee determined under rule 17.1 in relation to any specified Guarantee Year (including the current or any or all previous Guarantee Years) and any specified Loan to Value range is to be increased or decreased.
- 18.2 The conditions are that:
- (a) the Treasury have consulted the Lender about the proposed change, and allowed a reasonable time for consideration of its response; and

- (b) the Treasury act reasonably in determining the change; and
 - (c) if the notice is to the effect that the Commercial Fee in relation to a previous Guarantee Year is to be increased, the Treasury or Her Majesty's Government are the subject of proceedings commenced in relation to the Guarantee or the Scheme brought under the Treaty on the Functioning of the European Union (or any legislation having force under that Treaty) and the increase is necessary to comply with a decision of the European Commission, the Court of Justice of the European Union or a court in the United Kingdom, or to reach or give effect to an agreed resolution of any such proceedings.
- 18.3 The reference in rule 18.2(c) to the commencement of proceedings includes a reference to the initiation of action by the European Commission under Article 258 of the Treaty on the Functioning of the European Union by notice given by letter to Her Majesty's Government.
- 18.4 The application of rule 18.2(c) is a matter to be determined by the Treasury.
- 18.5 Where a notice has been given under rule 18.1 increasing the Commercial Fee:
- (a) the Lender shall be liable to pay to the Treasury, in respect of Commercial Fees payable under rule 17.3 up to the day on which the notice is served, an amount equal to the Commercial Fee as modified by the notice multiplied by the number of Eligible Loans in respect of which a Commercial Fee is payable up to the time the notice was given, less any amount already paid or owing under rule 17.3; and
 - (b) (if applicable) the Commercial Fee for the remainder of the Guarantee Year in which the notice was given shall be the Commercial Fee as modified by the notice.
- 18.6 The amount referred to in rule 18.5(a) must be paid:
- (a) by or on behalf of the Lender into a bank account operated by the Treasury specifically for that purpose the details of which are notified by the Treasury in writing to the Lender; and
 - (b) within twenty (20) Business Days following the day on which the notice is given.
- 18.7 If rule 18.6(b) is not complied with the Lender shall be liable to pay interest to the Treasury on any outstanding amount at the Specified Rate for the time being from the date on which payment was due to the date of actual payment.
- 18.8 Where a notice has been given under rule 18.1 decreasing the Commercial Fee:

- (a) if the reduction occurs before the end of the second Guarantee Year the Treasury shall reflect the reduction in their determination of the Commercial Fee for the following Guarantee Year or Years; and
 - (b) if the reduction occurs after the end of the second Guarantee Year the Treasury shall be liable to repay to the Lender any excess amount of Commercial Fee paid by it.
- 18.9 Any amount due to be paid to the Lender pursuant to rule 18.8(b) shall be paid by the Treasury within twenty (20) Business Days of the end of the third Guarantee Year.
- 18.10 If rule 18.9 is not complied with the Treasury shall be liable to pay interest to the Lender on any outstanding amount at the Specified Rate for the time being from the date on which payment was due to the date of actual payment.
- 18.11 The dispute procedure in rules 19.2 to 19.5 shall be applicable, with any necessary modifications, in respect of the calculation of amounts owing pursuant to a notice given by the Treasury under rule 18.1.

PART 11 – DISPUTES

19. CLAIMS DISPUTES

- 19.1 In the event of a Disputed Claim the Lender and the Treasury shall endeavour to reach an amicable agreement regarding the amount of any adjustment to the Disputed Claim (“a Claim Amount Adjustment”) within twenty (20) Business Days of the Treasury notifying the Lender of the Disputed Claim.
- 19.2 If the Lender and the Treasury are unable to reach agreement regarding the Disputed Claim within that period, then the Lender and the Treasury shall appoint an Independent Expert (“the Independent Expert”) to determine the dispute. If the Lender and the Treasury are unable to reach agreement regarding the appointment of the Independent Expert within five (5) Business Days, then either party may apply to the president for the time being of the Institute of Chartered Accountants in England and Wales to make the appointment.
- 19.3 The Lender and the Treasury shall make such written and/or oral submissions to the Independent Expert, and shall provide any documents or information, as the Independent Expert may require to determine the dispute based on his or her own skill, judgement and experience. For the avoidance of doubt, the Independent Expert shall act as an expert and not as an arbitrator.

- 19.4 The Independent Expert shall be required to submit a written report containing his or her findings and determinations in relation to the dispute to the Lender and the Treasury within twenty (20) Business Days of receipt of the submissions, documents and information referred to in rule 19.3.
- 19.5 The Independent Expert's report shall be final and binding on the Lender and the Treasury, and the Independent Expert shall determine whether the expenses of the dispute procedure set out in this rule 19 should be shared equally between the Lender and the Treasury or should be awarded solely against the Lender or the Treasury.

20. COMMERCIAL FEE DISPUTES

- 20.1 If, following receipt of a notice under rule 17.4, the Lender disputes the calculation of the total amount of the Commercial Fee payable by the Lender for the relevant calendar month, the Lender shall within twenty (20) Business Days of the receipt of the notice:
- (a) advise the Treasury in writing of the basis on which it considers the calculation to be incorrect and the amount which, in the Lender's opinion is payable; and
 - (b) provide to the Treasury such evidence as the Lender considers appropriate to support its position; and
 - (c) pay to the Treasury the amount referred to in rule 20.1(a) into the bank account referred to in rule 17.5(a).
- 20.2 The Treasury shall consider any representations made and evidence provided by the Lender under rules 20.1(a) and 20.1(b) and, if they consider it appropriate to do so, recalculate the total amount payable by the Lender under rule 17.3.
- 20.3 The Treasury shall notify the Lender in writing of any decision under rule 20.2 within ten (10) Business Days of the receipt by the Treasury of the representations and evidence provided by the Lender pursuant to rules 20.1(a) and 20.1(b).
- 20.4 Subject to rules 19.1 to 19.5, if the amount payable in accordance with the Treasury's decision under rule 20.2 is greater than the amount paid by the Lender under rule 20.1(c) the Lender shall pay the balance to the Treasury within twenty (20) Business Days of the receipt by the Lender of the notice referred to in rule 20.3.
- 20.5 Subject to rules 19.1 to 19.5, if the amount payable in accordance with the Treasury's decision under rule 20.2 is less than the amount paid by the Lender under rule 20.1(c) the Treasury shall pay the

balance to the Lender within twenty (20) Business Days of the receipt by the Lender of the notice referred to in rule 20.3.

- 20.6 If rule 17.5(b), 20.4 or 20.5 is not complied with the Lender or the Treasury (as applicable) shall be liable to pay interest to the Treasury or the Lender (as applicable) on any outstanding amount at the Specified Rate for the time being.
- 20.7 The Treasury and the Lender shall act reasonably in the exercise of their rights and obligations under rules 17.1 to 17.5 and rules 20.1 to 20.6 and shall endeavour to resolve any dispute informally.
- 20.8 In the event that a dispute cannot be resolved informally, rules 19.2 to 19.5 apply, with any necessary modifications, to a dispute under rules 17.1 to 17.5 and rules 20.1 to 20.6.

21. ADMINISTRATION DISPUTES

- 21.1 The Treasury shall agree with the Lender processes and procedures for resolving any disputes relating to the administration of the Scheme to the extent not expressly set out in these Rules.

PART 12 - NOTICES, DATA PROTECTION AND CONFIDENTIALITY

22. NOTICES ETC.

- 22.1 A notice or other communication required or permitted to be given by the Treasury or the Lender pursuant to these Rules or the Guarantee shall be sent by email to an email address specified by the recipient Party in advance, and shall be marked as described in rule 22.5.
- 22.2 A notice or other communication sent in accordance with rule 22.1 shall be taken as delivered one (1) Business Day after being sent by email to the address specified.
- 22.3 Where a Party entitled to receive it so requests in advance (either generally or in relation to specific notices or other communications), a notice or other communication required or permitted to be given by the other Party pursuant to these Rules or the Guarantee shall also be delivered by hand at or mailed by first class certified mail to the address set forth at the start of the Deed of Adherence.
- 22.4 A notice or other communication sent by first class certified mail pursuant to rule 22.3 shall be taken to be sufficiently served and delivered two (2) Business Days after the date of posting.
- 22.5 A notice or other communication to the Treasury shall be marked for the attention of Director General Financial Services, and a notice or other communication to the Lender shall be marked for the attention of the person or persons specified in the Deed of Adherence.

22.6 A Party may change the details recorded for it in rule 22.5 or give a different address in the United Kingdom to which notices or communications are to be sent, by notice to the other Party in accordance with rules 22.1 to 22.4.

23. DATA PROTECTION

23.1 For the purposes of these Rules, “Data Controller”, “Data Processor”, “Data Subject”, “Personal Data”, “Process” and “Processing” have the meanings ascribed to them in the DPA.

23.2 Notwithstanding the remaining provisions hereof, in the event that a Party Processes any Relevant Personal Data as a Data Controller of such Relevant Personal Data pursuant to or in connection with these Rules or the Guarantee, that Party shall comply with all Data Protection Legislation (to the extent directly applicable to it) and such compliance shall include, but not be limited to, maintaining a valid and up to date registration or notification (where applicable) under the relevant Data Protection Legislation.

23.3 The Lender shall (and shall procure that each member of the Lender’s Group and each third party administrator engaged by the Lender or a member of its Group shall):

- (a) ensure that all Relevant Personal Data has been obtained and processed, and is disclosed to the Treasury, in compliance with all Data Protection Legislation; and
- (b) not do or omit to do anything in effecting a disclosure of Relevant Personal Data to the Treasury that would cause the Treasury to be in breach of any Data Protection Legislation; and

- (d) do all such things as are reasonably requested by the Treasury to enable the Treasury to comply with the requirements of all Data Protection Legislation.

23.4 Without limiting rule 23.3, the Lender shall (and shall procure that each other member of the Lender’s Group shall) provide to each Data Subject in respect of the Relevant Personal Data (“the Relevant Data Subjects”) such information, in the form expressly approved in writing by the Treasury, as the Treasury consider to be necessary to identify the Treasury and details of each purpose for which the Treasury may Process Relevant Personal Data together with such other information as the Treasury consider to be necessary to satisfy the obligations of the Treasury under

the first data protection principle set out in Part I of Schedule 1 to the DPA and paragraph 2 of Part II of Schedule 1 to the DPA (and any equivalent obligations under any other Data Protection Legislation) in respect of the Treasury's Processing of Relevant Personal Data pursuant to, or in accordance with, these Rules or the Guarantee ("the Fair Processing Information"). For the avoidance of doubt, all references to the Treasury for these purposes include references to UKAR SPV acting on their behalf.

23.5 The Lender shall ensure that the Fair Processing Information is provided on or before the Date of Completion in respect of the relevant Eligible Loan.

23.6 To the extent that the Treasury's exercise of any of its rights under these Rules or the Guarantee would cause them to be subject to any law of a jurisdiction other than the United Kingdom that imposes obligations:

- (a) in respect of the use of information the same as or similar to Personal Data; or
- (b) which are similar in nature to any of those in the DPA and which apply to any information provided to the Treasury, in each case by or on behalf of the Lender or any member of the Lender's Group or any relevant third party administrator pursuant to, or in accordance with, these Rules or the Guarantee,

the Lender shall (and shall procure that each other member of the Lender's Group and each third party administrator engaged by the Lender or a member of its Group shall) do all such things as may be necessary in order to ensure that access to and use of the information by the Treasury pursuant to, or in accordance with, these Rules or the Guarantee complies with that law. Without prejudice to the foregoing, the Lender shall notify the Treasury of the requirements of that law (as they relate to the Treasury's access to and use of the information pursuant to, or in accordance with, these Rules or the Guarantee) and shall discuss with the Treasury the steps that it intends to take, and shall keep the Treasury informed of the steps it does take, to comply with this rule 23.6.

23.7 The Lender acknowledges and agrees that nothing in these Rules or the Guarantee shall result or be deemed to result in the Lender or any other member of the Lender's Group or any relevant third party administrator, on the one hand, and the Treasury, on the other, becoming joint Data Controllers with respect to any Personal Data (including the Relevant Personal Data) or other information and accordingly the Treasury shall have no liability with respect to any breach of the obligations of the Lender or any other member of the Lender's Group or any relevant third party administrator as a Data Controller from time to time, and nor shall the Lender or any other member of the Lender's Group or any relevant third party administrator have any liability with respect to any breach of the

obligations of the Treasury as a Data Controller from time to time (other than to the extent that any such breach of the obligations of the Treasury is caused by the Lender's breach of this rule 23).

23.8 Nothing in these Rules or the Guarantee shall require disclosure of "Sensitive Personal Data" (as defined in the DPA).

23.9 If and to the extent that the Treasury are or become a Data Controller in respect of any Relevant Personal Data, the Treasury shall not disclose Relevant Personal Data to third parties in response to a Data Subject access request unless they consider that they are obliged to do so by Data Protection Legislation.

24. CONFIDENTIALITY

24.1 Subject to rules 24.2 to 24.6, each Party shall, and shall procure that its Representatives shall, keep confidential all confidential information relating to the other Party (and the other Party's business affairs) that it or its Representatives obtain in connection with these Rules or the Guarantee or the negotiations leading up to them ("Confidential Information"). Each Party shall, and shall procure that its Representatives shall, only use the Confidential Information in the proper performance of such Party's obligations and exercise of its rights under these Rules or the Guarantee and shall not divulge any of the Confidential Information to any other person without the prior written consent of the other Party, unless permitted to do so by rule 24.2, 24.3, 24.4, 24.5 or 24.6.

24.2 A Party or its Representatives may disclose Confidential Information if and to the extent that:

- (a) such disclosure is required by law or by any competent regulatory body; or
- (b) the information is properly disclosed pursuant to an applicable rule, order or award in the course of proceedings before any court (or to any other person to whom a dispute is referred in accordance with these Rules or the Guarantee) to which that Party is a party; or
- (c) the information is disclosed on a confidential basis to that Party's Representatives in connection with these Rules or the Guarantee; or
- (d) the disclosure is agreed in writing from time to time by the Parties; or
- (e) the disclosure is to a ratings agency or an auditor of the Lender and is necessary to comply with a requirement of the agency or auditor.

24.3 Rule 24.1 does not apply to a Party in relation to Confidential Information to the extent that that Party can show:

- (a) that the information was already, or has subsequently become, published or publicly available for use other than through a breach of these Rules or the Guarantee or of any confidentiality obligation owed by that Party; or
- (b) that the information was already lawfully in its possession (without restriction on disclosure or use) before it obtained the information in connection with these Rules or the Guarantee or the negotiations leading up to them; or
- (c) that the information has subsequently lawfully been disclosed to it (without restriction on disclosure or use) by a person who is not a Party and who itself lawfully obtained the information and is not under any obligation restricting its disclosure or use; or
- (d) from its records that it has derived the same information independently of that obtained by it in connection with these Rules or the Guarantee or the negotiations leading up to them.

24.4 Rule 24.1 does not prevent the Treasury or its Representatives disclosing Confidential Information:

- (a) to Parliament (including any Committee of the House of Commons or the House of Lords) or to the European Commission; or
- (b) on a confidential basis, to any minister of the Crown, any UK government department, agency or authority, the Bank of England (including, without limitation, the Prudential Regulation Authority), the Financial Conduct Authority, the Financial Policy Committee or any other governmental, banking, taxation or regulatory agency or authority; or
- (c) for the purpose of reporting on the establishment, performance or operation of, or compliance with, the Scheme.

24.5 If the Treasury are requested to disclose any Confidential Information pursuant to the provisions of the FOI Act (an “FOI Request”), the Treasury shall (to the extent practicable and permissible under the FOI Act and consistent with the Code of Practice of the Secretary of State for Constitutional Affairs on discharge of public authorities' functions under Part 1 of the FOI Act):

- (a) notify the Lender in writing of the nature and content of such FOI Request as soon as practicable; and
- (b) prior to the making of a disclosure pursuant to an FOI Request, for a period of no less than five (5) Business Days (or if the Treasury consider there to be exceptional circumstances, such shorter period as the Treasury consider reasonably practicable) consult with the Lender as to:

- (i) whether such FOI Request is valid; and
- (ii) whether or not disclosure pursuant to the FOI Act is required; and
- (iii) (if the Treasury determine that disclosure pursuant to the FOI Act is required) the scope and content of any proposed disclosure,

and, as part of such consultation process, the Treasury shall take into account any representation from the Lender as to whether the Confidential Information is commercially sensitive or falls within one or more of the exemptions set out in Part II of the FOI Act and any other representations from the Lender as to whether or not there is an obligation to disclose such Confidential Information and/or the extent of any such required disclosure; and

- (c) (if the Treasury determine that disclosure of any Confidential Information pursuant to the FOI Act is required and the Lender has objected to such disclosure or the extent of the proposed disclosure) give the Lender as much prior notice as is reasonably practicable prior to such disclosure being made; and
- (d) subject to the above, the Treasury shall be responsible for determining at their absolute discretion whether and to what extent disclosure of any Confidential Information pursuant to the FOI Act is required.

24.6 Nothing in this rule 24 shall restrict or prevent the publication by the Treasury of any information (whether Confidential Information or otherwise):

- (a) in accordance with any publication scheme (as defined in the FOI Act) adopted and maintained by the Treasury in accordance with the FOI Act; or
- (b) in accordance with any model publication scheme (as defined in the FOI Act) applicable to the Treasury as may be published from time to time by the UK Information Commissioner.

In deciding whether to publish information (whether Confidential Information or otherwise) in accordance with any publication scheme or model publication scheme in accordance with the preceding paragraph, the Treasury shall have due regard to whether, in their sole opinion, such information would be exempt from disclosure under the FOI Act.

24.7 The obligations in this rule 24 (together with any applicable exceptions and qualifications set out in this rule) shall survive the termination of the Guarantee.
