Whereas, the Government of the United Kingdom of Great Britain and Northern Ireland and the Government of Bermuda (each, a “Party”) have an ongoing relationship with respect to mutual assistance in tax matters and desire to conclude an agreement to improve international tax compliance by further building on that relationship;

Whereas, Paragraph 5 of the Arrangement between the United Kingdom of Great Britain and Northern Ireland and the Government of Bermuda for the Avoidance of Double Taxation and the Prevention of Fiscal Evasion (the “Tax Information Exchange Arrangement”) authorises exchange of information for tax purposes;

- l) The term “**Bermuda Financial Institution**” means (i) any Financial Institution organised under the laws of Bermuda, but excluding any branch or head office of such Financial Institution that is located outside Bermuda, and (ii) any branch or head office of a Financial Institution not organised under the laws of Bermuda, if such branch or head office is located in Bermuda.

- n) The term “**Non-Reporting Bermuda Financial Institution**” means any Bermuda Financial Institution, or other Entity resident in Bermuda, that is described in Annex II as a Non-Reporting Bermuda Financial Institution.

- p) The term “**New Account**” means a Financial Account opened by a Reporting Bermuda Financial Institution on or after 1 July 2014.
- q) The term “**Financial Account**” means an account maintained by a Financial Institution, and includes:
  - (1) in the case of an Entity that is a Financial Institution solely because it is an Investment Entity, any equity or debt interest (other than interests that are regularly traded on an established securities market) in the Financial Institution;
  - (2) in the case of a Financial Institution not described in subparagraph 1(q)(1) above, any equity or debt interest in the Financial Institution (other than interests that are regularly traded on an established securities market), if the class of interests was established with a purpose of avoiding reporting in accordance with this Agreement; and

Notwithstanding the foregoing, the term “Financial Account” does not include any account, product, or arrangement identified as excluded from the definition of Financial Account in Annex II.

- r) The term “**Depository Account**” includes any commercial, checking, savings, time, or thrift account, or an account that is evidenced by a certificate of deposit, thrift certificate, investment certificate, certificate of indebtedness, or other similar instrument maintained by a Financial Institution in the ordinary course of a banking or similar business. A Specified United Kingdom Person shall be treated as being a beneficiary of a trust if such Specified United Kingdom Person has the right to receive directly or indirectly (for example, through a nominee) a mandatory distribution or may receive, directly or indirectly, a discretionary distribution from the trust.
- u) The term “**Account Holder**” means the person listed or identified as the holder of a Financial Account by the Financial Institution that maintains the account. A person, other than a Financial Institution, holding a Financial Account for the benefit or account of another person as agent, custodian, nominee, signatory, investment advisor, or intermediary, is not treated as holding the account for purposes of this Agreement, and such other person is treated as holding the account. In the case of a Cash Value Insurance Contract or an Annuity Contract, the Account Holder is any person entitled to access the Cash Value or change the beneficiary of the contract. If no person can access the Cash Value or change the beneficiary, the Account Holders are any persons named as the owner in the contract and any person with a vested entitlement to payment under the terms of the contract. Upon the maturity of a Cash Value Insurance Contract or an Annuity Contract, each person entitled to receive a payment under the contract is treated as an Account Holder.

Notwithstanding the foregoing, the term “Cash Value” does not include an amount payable under an Insurance Contract as:
  - (1) a personal injury or sickness benefit or other benefit providing indemnification of an economic loss incurred upon the occurrence of the event insured against;
  - (2) a refund to the policyholder of a previously paid premium under an Insurance Contract (other than under a life insurance contract) due to policy cancellation or termination, decrease in risk exposure during the effective period of the Insurance Contract, or arising from a redetermination of the premium due to correction of posting or other similar error; or

- z) The term “**United Kingdom Reportable Account**” means a Financial Account maintained by a Reporting Bermuda Financial Institution and held by one or more Specified United Kingdom Persons or by an Entity with one or more Controlling Persons that is a Specified United Kingdom Person. Notwithstanding the foregoing, an account shall not be treated as a United Kingdom Reportable Account if such account is not identified as a United Kingdom Reportable Account after application of the due diligence procedures in Annex I.
- aa) The term “**Non-Consenting United Kingdom Account**” means a Pre-existing Account with respect to which (i) a Reporting Bermuda Financial Institution has determined that it is a United Kingdom Account in accordance with the due diligence procedures in Annex I, (ii) the laws of Bermuda prohibit the reporting required under this Agreement absent consent of the Account Holder, (iii) the Reporting Bermuda Financial Institution has sought, but was unable to obtain, the required consent to fulfil the reporting required under this Agreement.

- bb) The term “**Specified United Kingdom Person**” means a person or Entity who is resident in the United Kingdom for tax purposes, and includes a person or Entity who is resident in both the United Kingdom and Bermuda under the respective domestic law of each Party, other than: (i) a corporation the stock of which is regularly traded on one or more established securities markets; (ii) a corporation that is a member of the same affiliated group, as defined in Section 1471(e)(2) of the U.S. Internal Revenue Code, as a corporation described in (i) above; (iii) a Depository Institution; (iv) a broker or dealer in securities, commodities, or derivative financial instruments (including notional principle contracts, futures, forwards, and options) that is registered as such under the laws of the United Kingdom; or (v) an exempt beneficial owner as defined in Annex II.
- cc) The term “**Entity**” means a legal person or a legal arrangement such as a trust, partnership or limited liability partnership. An Entity such as a partnership, limited liability partnership or similar arrangement shall be resident in a Party if the control and management of the business takes place in that Party.
- dd) An Entity is a “**Related Entity**” of another Entity if either Entity controls the other Entity, or the two Entities are under common control. For this purpose, control includes direct or indirect ownership of more than 50 percent of the vote or value in an Entity. Notwithstanding the foregoing, either Party may treat an Entity as not a related entity if the two Entities are not members of the same affiliated group, as defined in Section 1471(e)(2) of the U.S. Internal Revenue Code.
- ee) The term “**Controlling Persons**” means the natural persons who exercise control over an Entity. In the case of a trust, such term means the settlor, the trustees, the protector (if any), the beneficiaries or class of beneficiaries, and any other natural person exercising ultimate effective control over the trust, and in the case of a legal arrangement other than a trust, such term means persons in equivalent or similar positions. The term “Controlling Persons” shall be interpreted in a manner consistent with the Recommendations of the Financial Action Task Force.
2. Any term not otherwise defined in this Agreement shall, unless the context otherwise requires or the Competent Authorities agree to a common meaning (as permitted by domestic law), have the meaning that it has at that time under the law of the Party applying the Agreement, any meaning under the applicable tax laws of that Party prevailing over a meaning given to the term under other laws of that Party.
3. Notwithstanding paragraphs 1 and 2 of Article 1, and the definitions provided in the Annexes to this Agreement, in implementing this Agreement Bermuda may use, and may permit Bermudian Financial Institutions to use, any definition in the relevant U.S. Treasury Regulations instead of the corresponding definition in this Agreement, where the Parties have agreed that the definitions in question may be used, provided that such an application would not frustrate the purposes of this Agreement.

4. Notwithstanding paragraph 3 of Article 1, any U.S. Treasury Regulations regarding either the requirement to deduct and withhold tax, or to information reporting requirements relating to withholdable payments or in lieu of providing such information, shall not apply to this Agreement.

**ANNEX I**

**DUE DILIGENCE OBLIGATIONS FOR IDENTIFYING AND REPORTING  
ON REPORTABLE ACCOUNTS**

**I. General**

- A. Under the agreement Bermuda shall require that Reporting Bermudian Financial Institutions apply the due diligence procedures contained in this Annex I to identify United Kingdom Reportable Accounts.
  
- B. For purposes of the Agreement,
  - 1. All dollar amounts are US dollars and shall be read to include the equivalent in other currencies.
  - 2. Except as otherwise provided herein, the balance or value of an account shall be determined as of the last day of the calendar year or other appropriate reporting period.
  - 3. Where a balance or value threshold is to be determined as of 30 June 2014 under this Annex I, the relevant balance or value shall be determined as of the last day of the reporting period ending immediately before 30 June 2014, and where a balance or value threshold is to be determined as of the last day of a calendar year under this Annex I, the relevant balance or value shall be determined as of the last day of the reporting period that ends with or within that calendar year.
  - 4. Subject to subparagraph E.1. of section II of this Annex I, an account shall be treated as a United Kingdom Reportable Account beginning as of the date it is identified as such pursuant to the due diligence procedures in this Annex I.
  - 5. Unless otherwise provided, information with respect to a United Kingdom Reportable Account shall be reported annually in the calendar year following the year to which the information relates.

- C. As an alternative to the procedures described in each section of this Annex I, Bermuda may allow its Reporting Financial Institutions to apply the procedures described in the relevant U.S. Treasury Regulations, in so far as they have been accepted by both Parties, to establish whether an account is a United Kingdom Reportable Account. Bermuda may allow its Reporting Financial Institutions to make such an election separately for each section of this Annex I either with respect to all relevant Financial Accounts or, separately, with respect to any clearly identified group of such accounts (such as by line of business or the location of where the account is maintained). Notwithstanding any such election, U.S. Treasury Regulations regarding either the requirement to deduct and withhold tax, or to information reporting requirements relating to withholdable payments or in lieu of providing such information shall not apply to this Agreement.

II. **Preexisting Individual Accounts.** The following rules and procedures apply for identifying United Kingdom Reportable Accounts among Preexisting Accounts held by individuals (“Preexisting Individual Accounts”).

- A. **Accounts Not Required to Be Reviewed, Identified or Reported.** Unless the Reporting Bermuda Financial Institution elects otherwise, either with respect to all Preexisting Individual Accounts or, separately, with respect to any clearly identified group of such accounts, where the implementing rules in Bermuda provide for such an election, the following accounts are not required to be reviewed, identified, or reported as United Kingdom Reportable Accounts:
1. Subject to subparagraph E.2. of this section, Preexisting Individual Accounts with a balance or value that does not exceed \$50,000 as of 30 June 2014.
  2. Subject to subparagraph E.2. of this section, Preexisting Individual Accounts that are Cash Value Insurance Contracts and Annuity Contracts with a balance or value of \$250,000 or less as of 30 June 2014.
  3. Any Depository Account with a balance or value of \$50,000 or less.
- B. **Review Procedures for Preexisting Individual Accounts With a Balance or Value as of 30 June 2014, that Exceeds \$50,000 (\$250,000 for a Cash Value Insurance Contract or Annuity Contract), But Does Not Exceed \$1,000,000 (“Lower Value Accounts”)**
1. **Electronic Record Search.** The Reporting Bermuda Financial Institution must review electronically searchable data maintained by them for any of the following United Kingdom indicia:

- b) Current United Kingdom mailing or United Kingdom residence address (including a post office box, “in-care-of” or “hold mail” address);
  - c) Currently effective power of attorney or signatory authority granted to a person with an address in the United Kingdom; and
  - d) For accounts that are not Depository Accounts the Reporting Bermuda Financial Institution must also review electronically searchable data maintained by them for standing instructions to transfer funds to an account maintained in the United Kingdom;
2. If none of the United Kingdom indicia listed in subparagraph B.1. of this section are discovered in the electronic search, then no further action is required until there is a change in circumstances described in subparagraph C.2. of this section with respect to the account that results in one or more United Kingdom indicia being associated with the account.
3. If any of the United Kingdom indicia in subparagraph B.1. of this section are discovered in the electronic search, then the Reporting Financial Institution must treat the account as a United Kingdom Reportable Account unless subparagraph B.4. applies.
4. Notwithstanding a finding of United Kingdom indicia under subparagraph B.1. of this section, a Reporting Bermuda Financial Institution is not required to treat an account as a United Kingdom Reportable Account if:
- a) Where Account Holder information contains a current mailing or residence address (including a post office box, “in-care-of” or “hold mail” address) in the United Kingdom, the Reporting Bermuda Financial Institution obtains or has previously reviewed and maintains a record of:
    - (1) a self-certification that the Account Holder is not resident in the United Kingdom for tax purposes, **and**
    - (2) **either**

  - (1) a self-certification that the Account Holder is not resident in the United Kingdom for tax purposes, *and*
  - (2) a piece of documentary evidence, as defined in paragraph VI.D of this Annex I, establishing the Account Holder's non-United Kingdom residence status.

C. **Additional Procedures Applicable to Preexisting Individual Accounts That Are Lower Value Accounts**

1. Review of Preexisting Individual Accounts that are Lower Value Accounts for United Kingdom indicia must be completed by 30 June 2016.
2. If there is a change of circumstances with respect to a Preexisting Individual Account that is a Lower Value Account that results in one or more United Kingdom indicia described in subparagraph B.1. of this section being associated with the account, then Reporting Bermuda Financial Institution must treat the account as a United Kingdom Reportable Account unless subparagraph B.4. of this section applies.
3. Except for Depository Accounts described in subparagraph A.3. of this section, any Preexisting Individual Account that has been identified as a United Kingdom Reportable Account under this section shall be treated as a United Kingdom Reportable Account in all subsequent years, unless the Account Holder ceases to be a Specified United Kingdom Person.

D. **Enhanced Review Procedures for Preexisting Individual Accounts With a Balance or Value That Exceeds \$1,000,000 as of 30 June 2014, or 31 December of 2015 or Any Subsequent Year (“High Value Accounts”)**

1. **Electronic Record Search.** The Reporting Bermuda Financial Institution must review electronically searchable data maintained by them for any of the United Kingdom indicia identified in subparagraph B.1. of this section.
2. **Paper Record Search.** If the Reporting Bermuda Financial Institution’s electronically searchable databases include fields for and capture all of the information identified in subparagraph D.3. of this section, then no further paper record search is required. If the electronic databases do not capture all of this information, then with respect to High Value Accounts, the Reporting Bermuda Financial Institution must also review the current customer master file and, to the extent not contained in the current customer master file, the following documents associated with the account and obtained by the Reporting Bermuda Financial Institution within the last five years for any of the United Kingdom indicia identified in subparagraph B.1. of this section:
  - a) the most recent documentary evidence collected with respect to the account;
  - b) the most recent account opening contract or documentation;
  - c) the most recent documentation obtained by the Reporting Bermuda Financial Institution pursuant to AML/KYC Procedures or for other regulatory purposes;
  - d) any power of attorney or signature authority forms currently in effect; *and*
  - e) in the case of Financial Accounts other than Depository Accounts, any standing instructions to transfer funds currently in effect.
3. **Exception Where Databases Contain Sufficient Information.** A Reporting Bermuda Financial Institution is not required to perform the paper record search described in subparagraph D.2. of this section if the Reporting Bermuda Financial Institution’s electronically searchable information includes the following:
  - a) the Account Holder’s residence address and mailing address currently on file with the Reporting Bermuda Financial Institution;

- b) whether there is a current “in-care-of” address or “hold mail” address for the Account Holder;
  - c) whether there is any power of attorney or signatory authority for the account; *and*
  - d) in the case of Financial Accounts other than Depository Accounts whether there are standing instructions to transfer funds in the account to another account (including an account at another branch of the Reporting Bermuda Financial Institution or another Financial Institution).
4. **Relationship Manager Inquiry for Actual Knowledge.** In addition to the electronic and paper record searches described above, the Reporting Bermuda Financial Institution must treat as United Kingdom Reportable Accounts any High Value Accounts assigned to a relationship manager (including any accounts aggregated with such account) if the relationship manager, has actual knowledge that the Account Holder is a Specified United Kingdom Person.
5. **Effect of Finding United Kingdom Indicia.**
- a) If none of the United Kingdom indicia listed in subparagraph B.1. of this section are discovered in the enhanced review of High Value Accounts described above, and the account is not identified as held by a Specified United Kingdom Person in subparagraph D.4. of this section, then no further action is required until there is a change in circumstances described in subparagraph E.4. of this section.
  - b) If any of the United Kingdom indicia listed in subparagraph B.1. of this section are discovered in the enhanced review of High Value Accounts described above, or if there is a subsequent change in circumstances that results in one or more United Kingdom indicia being associated with the account, then the Reporting Bermuda Financial Institution must treat the account as a United Kingdom Reportable Account unless it elects to apply subparagraph B.4. of this section and one or more of the exceptions in that subparagraph applies with respect to that account.
  - c) Except for Depository Accounts described in subparagraph A.3. of this section, any Preexisting Individual Account that has been identified as a United Kingdom Reportable Account under this section shall be treated as a United Kingdom Reportable Account in all subsequent years, unless the Account Holder ceases to be a Specified United Kingdom Person.

**E. Additional Procedures Applicable to High Value Accounts**

1. If a Preexisting Individual Account is a High Value Account as of 30 June 2014, the Reporting Bermuda Financial Institution must complete the enhanced review procedures described in paragraph D of this section with respect to such account by 30 June 2015. If based on this review such account is identified as a United Kingdom Reportable Account on or before 31 December 2014, the Reporting Bermuda Financial Institution must report the required information about such account with respect to 2014 in the first report on the Account and on an annual basis thereafter. In the case of an account identified as a Reportable Account after 31 December 2014 and on or before 30 June 2015, the Reporting Bermuda Financial Institution is not required to report information about such account with respect to 2014, but must report information about the account on an annual basis thereafter.
2. If a Preexisting Individual Account is not a High Value Account as of 30 June 2014, but becomes a High Value Account as of 31 December 2015 or of any subsequent calendar year, the Reporting Bermuda Financial Institution must complete the enhanced review procedures described in paragraph D of this section with respect to such account within six months after the last day of the calendar year in which the account becomes a High Value Account. If based on this review such account is identified as a United Kingdom Reportable Account, the Reporting Bermuda Financial Institution must report the required information about such account with respect to the year in which it is identified as a United Kingdom Reportable Account and subsequent years on an annual basis, unless the Account Holder ceases to be a Specified Person.
3. Once a Reporting Bermuda Financial Institution applies the enhanced review procedures described in paragraph D of this section to a High Value Account, the Reporting Bermuda Financial Institution shall not be required to re-apply such procedures, other than the relationship manager inquiry in subparagraph D.4. of this section, to the same High Value Account in any subsequent year.
4. If there is a change of circumstances with respect to a High Value Account that results in one or more United Kingdom indicia described in subparagraph B.1. of this section being associated with the account, then the Reporting Bermuda Financial Institution must treat the account as a United Kingdom Reportable Account unless it elects to apply subparagraph B.4. of this section and one of the exceptions in that subparagraph applies with respect to that account.

5. A Reporting Bermuda Financial Institution must implement procedures to ensure that a relationship manager identifies any change in circumstances of an account. For example, if a relationship manager is notified that the Account Holder has a new mailing address in the United Kingdom, the Reporting Bermuda Financial Institution shall be required to treat the new address as a change in circumstances and, if it elects to apply subparagraph B(4) of this section, is required to obtain the appropriate documentation from the Account Holder.

III. **New Individual Accounts.** The following rules and procedures apply for identifying United Kingdom Reportable Accounts among accounts held by individuals and opened on or after 1 July 2014 (“New Individual Accounts”).

- A. **Accounts Not Required to Be Reviewed, Identified, or Reported.** Unless the Reporting Bermuda Financial Institution elects otherwise, either with respect to all New Individual Accounts or, separately, with respect to any clearly identified group of such accounts, where the implementing rules in Bermuda provide for such an election:
  1. A New Individual Account that is a Depository Account is not required to be reviewed, identified, or reported as a United Kingdom Reportable Account unless the account balance exceeds \$50,000 at the end of any calendar year or other appropriate reporting period.
  2. A New Individual Account that is a Cash Value Insurance Contract is not required to be reviewed, identified, or reported as a United Kingdom Reportable Account unless the Cash Value exceeds \$50,000 at the end of any calendar year or other appropriate reporting period.
- B. **Other New Individual Accounts.** With respect to New Individual Accounts not described in paragraph A of this section, upon account opening, (or within 90 days after the end of the calendar year in which the account ceases to be described in Paragraph A of this section), the Reporting Bermuda Financial Institution must obtain a self-certification which may be part of the account opening documentation, that allows the Reporting Bermuda Financial Institution to determine whether the Account Holder is resident in the United Kingdom for tax purposes and confirm the reasonableness of such self-certification based on the information obtained by the Reporting Bermuda Financial Institution in connection with the opening of the account, including any documentation collected pursuant to AML/KYC Procedures.
- C. If the self-certification establishes that the Account Holder is resident in the United Kingdom for tax purposes, the Reporting Bermuda Financial Institution must treat the account as a United Kingdom Reportable Account.

- D. If there is a change of circumstances with respect to a New Individual Account that causes the Reporting Bermuda Financial Institution to know or have reason to know that the original self-certification is incorrect or unreliable, the Reporting Bermuda Financial Institution cannot rely on the original self-certification and must obtain a valid self-certification that establishes whether the Account Holder is resident in the United Kingdom for tax purposes. If the Reporting Bermuda Financial Institution is unable to obtain a valid self-certification, the Reporting Bermuda Financial Institution must treat the account as a United Kingdom Reportable Account.

IV. **Preexisting Entity Accounts.** The following rules and procedures apply for purposes of identifying United Kingdom Reportable Accounts (“Preexisting Entity Accounts”).

- A. **Entity Accounts Not Required to Be Reviewed, Identified, or Reported.** Unless the Reporting Bermuda Financial Institution elects otherwise, either with respect to all New Individual Accounts or, separately, with respect to any clearly identified group of such accounts, Preexisting Entity Accounts with account balances or values that do not exceed \$250,000 as of 30 June 2014, are not required to be reviewed, identified, or reported as United Kingdom Reportable Accounts until the account balance exceeds \$1,000,000.
- B. **Entity Accounts Subject to Review.** Preexisting Entity Accounts that have an account balance or value that exceeds \$250,000 as of 30 June 2014, and Preexisting Entity Accounts that do not exceed \$250,000 as of 30 June 2014 but the account balance of which exceeds \$1,000,000 as of the 31 December 2015 or any subsequent calendar year, must be reviewed in accordance with the procedures set forth in paragraph D of this section.
- C. **Entity Accounts With Respect to Which Reporting is Required.** With respect to Preexisting Entity Accounts described in paragraph B of this section, only accounts that are held by one or more Entities that are Specified United Kingdom Persons or by Passive NFFEs with one or more Controlling Persons who are Specified United Kingdom Persons, shall be treated as United Kingdom Reportable Accounts.
- D. **Review Procedures for Identifying Entity Accounts With Respect to Which Reporting is Required.** For Preexisting Entity Accounts described in paragraph B of this section, the Reporting Bermuda Financial Institution must apply the following review procedures to determine whether the account is held by one or more Specified United Kingdom Persons or by Passive NFFEs with one or more Controlling Persons who is a Specified United Kingdom Person:

1. **Determine Whether the Entity is a Specified United Kingdom Person.**

- a) Review information maintained for regulatory or customer relationship purposes (including information collected pursuant to AML/KYC Procedures) to determine whether the information indicates that the Entity Account Holder is a Specified United Kingdom Person. For this purpose, information indicating that the Entity is a Specified United Kingdom Person includes the place of incorporation or organisation, or an address in the United Kingdom.
- b) If the information indicates that the Entity Account Holder is a Specified United Kingdom Person, the Reporting Bermuda Financial Institution must treat the account as a United Kingdom Reportable Account unless it obtains a self-certification from the Account Holder, or reasonably determines based on information in its possession or that is publicly available, that the Account Holder is not a Specified United Kingdom Person.

2. **Determine Whether a Non-United Kingdom Resident Entity is a Financial Institution.**

- a) Review information maintained for regulatory or customer relationship purposes (including information collected pursuant to AML/KYC Procedures) to determine whether the information indicates that the Non-United Kingdom Resident Entity Account Holder is a Financial Institution.
- b) If the information indicates that the Non-United Kingdom Resident Entity Account Holder is a Financial Institution, then the account is not a United Kingdom Reportable Account.

3. **Determine Whether an Account Held by an NFFE is a United Kingdom Reportable Account.** With respect to an Entity Account Holder of a Preexisting Entity Account that is not identified as either a Specified United Kingdom Person or a Non-United Kingdom Resident Entity which is a Financial Institution, the Reporting Bermuda Financial Institution must identify (i) whether the Entity Account Holder has Controlling Persons, (ii) whether the Entity Account Holder is a Passive NFFE, and (iii) whether any of the Controlling Persons of the Entity is a Specified United Kingdom Person. In making these determinations the Reporting Bermuda Financial Institution should follow the guidance in a) to d) of this subparagraph in the order most appropriate under the circumstances.

- a) For purposes of determining the Controlling Persons of an Entity, a Reporting Bermuda Financial Institution may rely on information collected and maintained pursuant to AML/KYC Procedures.
- b) For purposes of determining whether the Entity is a Passive NFFE, the Reporting Bermuda Financial Institution must obtain a self-certification from the Entity Account Holder to establish its status, unless it has information in its possession or that is publicly available, based on which it can reasonably determine that the Entity is an Active NFFE.
- c) For purposes of determining whether a Controlling Person of a Passive NFFE is a Specified United Kingdom Person, a Reporting Bermuda Financial Institution may rely on:
  - (1) Information collected and maintained pursuant to AML/KYC Procedures in the case of a Preexisting Entity Account held by one or more NFFEs with an account balance that does not exceed \$1,000,000; *or*
  - (2) A self-certification from the Entity Account Holder or such Controlling Person in the case of a Preexisting Entity Account held by one or more NFFEs with an account balance that exceeds \$1,000,000.
- d) If any Controlling Person of a Passive NFFE is a Specified United Kingdom Person, the account shall be treated as a United Kingdom Reportable Account.

E. **Timing of Review and Additional Procedures Applicable to Preexisting Entity Accounts**

- 1. Review of Preexisting Entity Accounts with an account balance or value that exceeds \$250,000 as of 30 June 2014, must be completed by 30 June 2016.
- 2. Review of Preexisting Entity Accounts with a balance or value that does not exceed \$250,000 as of 30 June 2014, but exceeds \$1,000,000 as of 31 December of 2015 or any subsequent year, must be completed within six months after the end of the calendar year in which the account balance exceeds \$1,000,000.

3. If there is a change of circumstances with respect to a Preexisting Entity Account that causes the Reporting Bermuda Financial Institution to know or have reason to know that the self-certification or other documentation associated with an account is incorrect or unreliable, the Reporting Bermuda Financial Institution must re-determine the status of the account in accordance with the procedures set forth in paragraph D of this section.

V. **New Entity Accounts.** The following rules and procedures apply to accounts held by Entities and opened on or after 1 July 2014 (“New Entity Accounts”).

- A. **Entity Accounts Not Required to Be Reviewed, Identified or Reported.** Unless the Reporting Financial Institution elects otherwise, either with respect to all New Entity Accounts or, separately, with respect to any clearly identified group of such accounts, where the implementing rules in both jurisdictions provide for such election, a revolving credit facility treated as a New Entity Account is not required to be reviewed, identified, or reported, provided that the Reporting Financial Institution maintaining such account, in each case applying the rules at paragraph C of section VI of this Annex I, for account aggregation and currency translation, implements policies and procedures to prevent an account balance owed to the Account Holder that exceeds \$50,000.
- B. **Other New Entity Accounts** With respect to New Entity Accounts not described in paragraph A of this section, the Reporting Bermuda Financial Institution must determine whether the Account Holder is: (i) a Specified United Kingdom Person; (ii) a Non-United Kingdom Resident Entity which is a Financial Institution; (iii), a Non-Reporting Financial Institution; (v) an exempt beneficial owner; (vi) an Active NFFE or a Passive NFFE.
- C. A Reporting Bermuda Financial Institution may determine that an Account Holder is an Active NFFE or a Non-United Kingdom Resident Entity which is a Financial Institution if the Reporting Bermuda Financial Institution reasonably determines that the Entity has such status on the basis of information that is publicly available or in the possession of the Reporting Bermuda Financial Institution.
- D. In all other cases, a Reporting Bermuda Financial Institution must obtain a self-certification from the Entity Account Holder to establish the Account Holder’s status. Based on the self certification, the following rules apply:
  1. If the Entity Account Holder is a ***Specified United Kingdom Person***, the Reporting Bermuda Financial Institution must treat the account as a United Kingdom Reportable Account.

2. If the Entity Account Holder is a *Passive NFFE*, the Reporting Bermuda Financial Institution must identify the Controlling Persons as determined under AML/KYC Procedures, and must determine whether any such person is a resident in the United Kingdom for tax purposes on the basis of a self-certification from the Account Holder or such person. If any such person is a resident in the United Kingdom for tax purposes, the account shall be treated as a United Kingdom Reportable Account.
3. If the Entity Account Holder is: (i) a Person resident in the United Kingdom that is not a Specified United Kingdom Person; (ii) a Non-United Kingdom Resident Entity which is a Financial Institution; (iii) a Non-Reporting Financial Institution, (iv) an exempt beneficial owner; (v) an Active NFFE; or (vi) a Passive NFFE, none of the Controlling Persons of which is a Specified United Kingdom Person; then the account is not a United Kingdom Reportable Account and no reporting is required with respect to the account.

VI. **Special Rules and Definitions.** The following additional rules and definitions apply in implementing the due diligence procedures described above:

- A. **Reliance on Self-Certifications and Documentary Evidence.** A Reporting Bermuda Financial Institution may not rely on a self-certification or documentary evidence if the Reporting Bermuda Financial Institution knows or has reason to know that the self-certification or documentary evidence is incorrect or unreliable.
- B. **Definitions.** The following definitions apply for purposes of this Annex I.
  1. **AML/KYC Procedures.** “AML/KYC Procedures” means the customer due diligence (CDD) procedures of a Reporting Bermuda Financial Institution pursuant to the anti-money laundering or similar requirements of Bermuda to which such Reporting Bermuda Financial Institution is subject to.
  2. **United Kingdom Resident Entity.** A “United Kingdom Resident Entity” means an Entity that is resident in the United Kingdom and includes an Entity that is resident in both the United Kingdom and also resident in Bermuda, or any other jurisdiction(s), for the purposes of this Agreement.

  - b) The stock of the NFFE is regularly traded on an established securities market or the NFFE is a Related Entity of an Entity the stock of which is regularly traded on an established securities market;
  - c) The NFFE is a government, a political subdivision of such government or a public body performing a function of such government or a political subdivision thereof, or an Entity wholly owned by one or more of the foregoing;
  - d) Substantially all of the activities of the NFFE consist of holding (in whole or in part) the outstanding stock of, or providing financing and services to, one or more subsidiaries that engage in trades or businesses other than the business of a Financial Institution, except that an NFFE shall not qualify for this status if the NFFE functions (or holds itself out) as an investment fund, such as a private equity fund, venture capital fund, leveraged buyout fund or any investment vehicle whose purpose is to acquire or fund companies and then hold interests in those companies as capital assets for investment purposes;
  - e) The NFFE is not yet operating a business and has no prior operating history, but is investing capital into assets with the intent to operate a business other than that of a Financial Institution; provided, that the NFFE shall not qualify for this exception after the date that is 24 months after the date of the initial organisation of the NFFE;
  - f) The NFFE was not a Financial Institution in the past five years, and is in the process of liquidating its assets or is reorganising with the intent to continue or recommence operations in a business other than that of a Financial Institution; *or*

- g) The NFFE primarily engages in financing and hedging transactions with or for Related Entities that are not Financial Institutions, and does not provide financing or hedging services to any Entity that is not a Related Entity, provided that the group of any such Related Entities is primarily engaged in a business other than that of a Financial Institution.

C. **Account Balance Aggregation and Currency Translation Rules**

1. **Aggregation of Individual Accounts.** For purposes of determining the aggregate balance or value of accounts held by an individual, a Reporting Bermuda Financial Institution shall be required to aggregate all accounts maintained by the Reporting Bermuda Financial Institution, or Related Entities, but only to the extent that the Reporting Bermuda Financial Institution's computerised systems link the accounts by reference to a data element such as client number or taxpayer identification number, and allow account balances to be aggregated. Each holder of a jointly held account shall be attributed the entire balance or value of the jointly held account for purposes of applying the aggregation requirements described in this paragraph.
2. **Aggregation of Entity Accounts.** For purposes of determining the aggregate balance or value of accounts held by an Entity, a Reporting Bermuda Financial Institution shall be required to take into account all accounts held by Entities that are maintained by the Reporting Bermuda Financial Institution, or Related Entities, to the extent that the Reporting Bermuda Financial Institution's computerised systems link the accounts by reference to a data element such as client number or taxpayer identification number and allow account balances or values to be aggregated.
3. **Special Aggregation Rule Applicable to Relationship Managers.** For purposes of determining the aggregate balance or value of accounts held by a person to determine whether an account is a High Value Account, a Reporting Bermuda Financial Institution shall also be required, in the case of any accounts that a relationship manager knows or has reason to know are directly or indirectly owned, controlled, or established (other than in a fiduciary capacity) by the same person, to aggregate all such accounts.
4. **Currency Translation Rule.** For purposes of determining the balance or value of accounts denominated in a currency other than the U.S. dollar, a Reporting Bermuda Financial Institution must convert the dollar threshold amounts described in this Annex I into such currency using a published spot rate determined as of the last day of the calendar year preceding the year in which the Reporting Bermuda Financial Institution is determining the balance or value.

D. **Documentary Evidence.** For purposes of this Annex I, acceptable documentary evidence includes any of the following:

1. A certificate of residence for tax purposes issued by an appropriate official of the country or jurisdiction in which the Account Holder claims to be resident.
2. With respect to an individual, any valid identification issued by an authorised government body (for example, a government or agency thereof, or a municipality), that includes the individual's name and is typically used for identification purposes.
3. With respect to an Entity, any official documentation issued by an authorised government body (for example, a government or agency thereof, or a municipality) that includes the name of the Entity and either the address of its principal office in the country in which it claims to be a resident or the country in which the Entity was incorporated or organised.
4. 5. Any financial statement, third-party credit report, bankruptcy filing.

E. **Alternative Procedures for Financial Accounts Held by Individual Beneficiaries of a Cash Value Insurance Contract.** A Reporting Bermuda Financial Institution may presume that an individual beneficiary (other than the owner) of a Cash Value Insurance Contract receiving a death benefit is not a Specified United Kingdom Person and may treat such Financial Account as other than a United Kingdom Reportable Account unless the Reporting Bermuda Financial Institution has actual knowledge, or reason to know, that the beneficiary is a Specified United Kingdom Person. A Reporting Bermuda Financial Institution has reason to know that a beneficiary of a Cash Value Insurance Contract is a Specified United Kingdom Person if the information collected by the Reporting Bermuda Financial Institution and associated with the beneficiary contains indicia as described in subparagraph B.1. of section II of this Annex I. If a Reporting Bermuda Financial Institution has actual knowledge, or reason to know, that the beneficiary is a Specified United Kingdom Person, the Reporting Bermuda Financial Institution must follow the procedures in subparagraph B.3. of section II of this Annex I.

- F. **Reliance on Third Parties.** Subject to paragraph 4 of Article 4, regardless of whether an election is made under paragraph E of section I of this Annex I, either Party may permit Reporting Financial Institutions to rely on due diligence procedures performed by third parties to the extent provided in the U.S. Treasury Regulations.

**ANNEX II****NON-REPORTING BERMUDA FINANCIAL INSTITUTIONS AND EXEMPT PRODUCTS AND NON-REPORTABLE UNITED KINGDOM ENTITIES**

The following Entities shall be treated as either exempt beneficial owners, and/or as other Non-Reporting Bermuda Financial Institutions, as the case may be, and the following Exempt Products shall be excluded from the definition of Financial Accounts.

This Annex II may be modified by a mutual agreement entered into between the Competent Authorities of Bermuda and the United Kingdom: (1) to include additional Entities and accounts that present a low risk of being used by United Kingdom Persons to evade United Kingdom tax and that have similar characteristics to the Entities and accounts described in this Annex II as of the date of signature of the Agreement; or (2) to remove Entities and accounts that, due to changes in circumstances, no longer present a low risk of being used by United Kingdom Persons to evade United Kingdom tax. Procedures for reaching such an agreement may be included in the mutual agreement described in paragraph 6 of Article 3 of the Agreement.
