- b) If any of the United Kingdom indicia listed in subparagraph B.1. of this section are discovered in the enhanced review of High Value Accounts described above, or if there is a subsequent change in circumstances that results in one or more United Kingdom indicia being associated with the account, then the Reporting Turks and Caicos Islands Financial Institution must treat the account as a United Kingdom Reportable Account unless it elects to apply subparagraph B.4. of this section applies and one or more of the exceptions in that subparagraph applies with respect to that account.
- c) Except for Depository Accounts described in subparagraph A.3. of this section, any Preexisting Individual Account that has been identified as a United Kingdom Reportable Account under this section shall be treated as a United Kingdom Reportable Account in all subsequent years, unless the Account Holder ceases to be a Specified United Kingdom Person.

E. Additional Procedures Applicable to High Value Accounts

1. If a Preexisting Individual Account is a High Value Account as of 30 June 2014, the Reporting Turks and Caicos Islands Financial Institution must complete the enhanced review procedures described in paragraph D of this section with respect to such account by 30 June 2015. If based on this review such account is identified as a United Kingdom Reportable Account on or before 31 December 2014, the Reporting Turks and Caicos Islands Financial Institution must report the required information about such account with respect to 2014 in the first report on the Account and on an annual basis thereafter. In the case of an account identified as a Reportable Account after 31 December 2014 and on or before 30 June 2015, the Reporting Turks and Caicos Islands Financial Institution is not required to report information about such account with respect to 2014, but must report information about the account on an annual basis thereafter..
2. If a Preexisting Individual Account is not a High Value Account as of 30 June 2014, but becomes a High Value Account as of 31 December 2015 or of any subsequent calendar year, the Reporting Turks and Caicos Islands Financial Institution must complete the enhanced review procedures described in paragraph D of this section with respect to such account within six months after the last day of the calendar year in which the account becomes a High Value Account. If based on this review such account is identified as a United Kingdom Reportable Account, the Reporting Turks and Caicos Islands Financial Institution must report the required information about such account with respect to the year in which it is identified as a United Kingdom Reportable Account and subsequent years on an annual basis, unless the Account Holder ceases to be a Specified Person.

3. 4. If there is a change of circumstances with respect to a High Value Account that results in one or more United Kingdom indicia described in subparagraph B.1. of this section being associated with the account, then the Reporting Turks and Caicos Islands Financial Institution must treat the account as a United Kingdom Reportable Account unless it elects to apply subparagraph B.4. of this section and one of the exceptions in that subparagraph applies with respect to that account.
5. A Reporting Turks and Caicos Islands Financial Institution must implement procedures to ensure that a relationship manager identifies any change in circumstances of an account. For example, if a relationship manager is notified that the Account Holder has a new mailing address in the United Kingdom, the Reporting Turks and Caicos Islands Financial Institution shall be required to treat the new address as a change in circumstances and shall be required to obtain the appropriate documentation from the Account Holder.

III. **New Individual Accounts.** The following rules and procedures apply for identifying United Kingdom Reportable Accounts among accounts held by individuals and opened on or after 1 July 2014 (“New Individual Accounts”).

- A. **Accounts Not Required to Be Reviewed, Identified, or Reported.** Unless the Reporting Turks and Caicos Islands Financial Institution elects otherwise, either with respect to all New Individual Accounts or, separately, with respect to any clearly identified group of such accounts, where the implementing rules in the Turks and Caicos Islands provide for such an election:
 1. A New Individual Account that is a Depository Account is not required to be reviewed, identified, or reported as a United Kingdom Reportable Account unless the account balance exceeds \$50,000 at the end of any calendar year or other appropriate reporting period.
 2. A New Individual Account that is a Cash Value Insurance Contract is not required to be reviewed, identified, or reported as a United Kingdom Reportable Account unless the Cash Value exceeds \$50,000 at the end of any calendar year or other appropriate reporting period.

- C. If the self-certification establishes that the Account Holder is resident in the United Kingdom for tax purposes, the Reporting Turks and Caicos Islands Financial Institution must treat the account as a United Kingdom Reportable Account.
- D. If there is a change of circumstances with respect to a New Individual Account that causes the Reporting Turks and Caicos Islands Financial Institution to know or have reason to know that the original self-certification is incorrect or unreliable, the Reporting Turks and Caicos Islands Financial Institution cannot rely on the original self-certification and must obtain a valid self-certification that establishes whether the Account Holder is resident in the United Kingdom for tax purposes. If the Reporting Turks and Caicos Islands Financial Institution is unable to obtain a valid self-certification, the Reporting Turks and Caicos Islands Financial Institution must treat the account as a United Kingdom Reportable Account.
- IV. **Preexisting Entity Accounts.** The following rules and procedures apply for purposes of identifying United Kingdom Reportable Accounts (“Preexisting Entity Accounts”).
- A. **Entity Accounts Not Required to Be Reviewed, Identified, or Reported.** Unless the Reporting Turks and Caicos Islands Financial Institution elects otherwise, either with respect to all New Individual Accounts or, separately, with respect to any clearly identified group of such accounts, where the implementing rules in the jurisdiction provide for such an election, Preexisting Entity Accounts with account balances that do not exceed \$250,000 as of 30 June 2014, are not required to be reviewed, identified, or reported as United Kingdom Reportable Accounts until the account balance exceeds \$1,000,000.

- C. **Entity Accounts With Respect to Which Reporting is Required.** With respect to Preexisting Entity Accounts described in paragraph B of this section, only accounts that are held by one or more Entities that are Specified United Kingdom Persons or by Passive NFFEs with one or more Controlling Persons who are Specified United Kingdom Persons, shall be treated as United Kingdom Reportable Accounts.
- D. **Review Procedures for Identifying Entity Accounts With Respect to Which Reporting is Required.** For Preexisting Entity Accounts described in paragraph B of this section, the Reporting Turks and Caicos Islands Financial Institution must apply the following review procedures to determine whether the account is held by one or more Specified United Kingdom Persons, by Passive NFFEs with one or more Controlling Persons who is a Specified United Kingdom Persons:
1. **Determine Whether the Entity is a Specified United Kingdom Person.**
 - a) Review information maintained for regulatory or customer relationship purposes (including information collected pursuant to AML/KYC Procedures) to determine whether the information indicates that the Entity Account Holder is a Specified United Kingdom Person. For this purpose, information indicating that the Entity is a Specified United Kingdom Person includes the place of incorporation or organisation, or an address in the United Kingdom.
 - b) If the information indicates that the Entity Account Holder is a Specified United Kingdom Person, the Reporting Turks and Caicos Islands Financial Institution must treat the account as a United Kingdom Reportable Account unless it obtains a self-certification from the Account Holder, or reasonably determines based on information in its possession or that is publicly available, that the Account Holder is not a Specified United Kingdom Person.
 2. **Determine Whether a Non-United Kingdom Resident Entity is a Financial Institution.**
 - a) Review information maintained for regulatory or customer relationship purposes (including information collected pursuant to AML/KYC Procedures) to determine whether the information indicates that the Non-United Kingdom Resident Entity Account Holder is a Financial Institution.
 - b) If the information indicates that the Non-United Kingdom Resident Entity Account Holder is a Financial Institution, then the account is not a United Kingdom Reportable Account.

3. **Determine Whether an Account Held by an NFFE is a United Kingdom Reportable Account.** With respect to an Entity Account Holder of a Preexisting Entity Account that is not identified as either a Specified United Kingdom Person or a Non-United Kingdom Resident Entity which is a Financial Institution, the Reporting Turks and Caicos Islands Financial Institution must identify (i) whether the Entity has Controlling Persons, (ii) whether the Entity is a Passive NFFE, and (iii) whether any of the Controlling Persons of the Entity is a Specified United Kingdom Person. In making these determinations the Reporting Turks and Caicos Islands Financial Institution should follow the guidance in a) to d) of this subparagraph in the order most appropriate under the circumstances.
- a) For purposes of determining the Controlling Persons of an Entity, a Reporting Turks and Caicos Islands Financial Institution may rely on information collected and maintained pursuant to AML/KYC Procedures.
 - b) For purposes of determining whether the Entity is a Passive NFFE, the Reporting Turks and Caicos Islands Financial Institution must obtain a self-certification from the Entity Account Holder to establish its status, unless it has information in its possession or that is publicly available, based on which it can reasonably determine that the Entity is an Active NFFE.
 - c) For purposes of determining whether a Controlling Person of a Passive NFFE is a Specified United Kingdom Person, a Reporting Turks and Caicos Islands Financial Institution may rely on:
 - (1) Information collected and maintained pursuant to AML/KYC Procedures in the case of a Preexisting Entity Account held by one or more NFFEs with an account balance that does not exceed \$1,000,000; *or*
 - (2) A self-certification from the Entity Account Holder or such Controlling Person in the case of a Preexisting Entity Account held by one or more NFFEs with an account balance that exceeds \$1,000,000.

3. If there is a change of circumstances with respect to a Preexisting Entity Account that causes the Reporting Turks and Caicos Islands Financial Institution to know or have reason to know that the self-certification or other documentation associated with an account is incorrect or unreliable, the Reporting Turks and Caicos Islands Financial Institution must re-determine the status of the account in accordance with the procedures set forth in paragraph D of this section.

V. **New Entity Accounts.** The following rules and procedures apply to accounts held by Entities and opened on or after 1 July 2014 (“New Entity Accounts”).

- A. **Entity Accounts Not Required to Be Reviewed, Identified or Reported.** Unless the Reporting Turks and Caicos Islands Financial Institution elects otherwise, either with respect to all New Entity Accounts or, separately, with respect to any clearly identified group of such accounts, where the implementing rules in both jurisdictions provide for such election, a revolving credit facility treated as a New Entity Account is not required to be reviewed, identified, or reported, provided that the Reporting Turks and Caicos Islands Financial Institution maintaining such account, in each case applying the rules at paragraph C of section VI of this Annex I, for account aggregation and currency translation, implements policies and procedures to prevent an account balance owed to the Account Holder that exceeds \$50,000.
- B. **Other New Entity Accounts** With respect to New Entity Accounts not described in paragraph A of this section, the Reporting Turks and Caicos Islands Financial Institution must determine whether the Account Holder is: (i) a Specified United Kingdom Person; (ii) a Non-United Kingdom Resident Entity which is a Financial Institution; (iii), a non-reporting Financial Institution; (v) an exempt beneficial owner; (vi) an Active NFFE or a Passive NFFE.
- C. A Reporting Turks and Caicos Islands Financial Institution may determine that an Account Holder is an Active NFFE or a Non-United Kingdom Resident Entity which is a Financial Institution if the Turks and Caicos Islands Reporting Financial Institution reasonably determines that the Entity has such status on the basis of information that is publicly available or in the possession of the Reporting Turks and Caicos Islands Financial Institution.
- D. In all other cases, a Reporting Turks and Caicos Islands Financial Institution must obtain a self-certification from the Entity Account Holder to establish the Account Holder’s status. Based on the self certification, the following rules apply:
 1. If the Entity Account Holder is a *Specified United Kingdom Person*, the Reporting Turks and Caicos Islands Financial Institution must treat the account as a United Kingdom Reportable Account.

2. If the Entity Account Holder is a *Passive NFFE*, the Reporting Turks and Caicos Islands Financial Institution must identify the Controlling Persons as determined under AML/KYC Procedures, and must determine whether any such person is a resident in the United Kingdom for tax purposes on the basis of a self-certification from the Account Holder or such person. If any such person is a resident in the United Kingdom for tax purposes, the account shall be treated as a United Kingdom Reportable Account.
3. If the Entity Account Holder is: (i) a Person resident in the United Kingdom that is not a Specified United Kingdom Person; (ii) a Non-United Kingdom Resident Entity which is a Financial Institution; (iii) a Non-Reporting Financial Institution, (iv) an exempt beneficial owner; (v) an Active NFFE; or (vi) a Passive NFFE; none of the Controlling Persons of which is a Specified United Kingdom Person, then the account is not a United Kingdom Reportable Account and no reporting is required with respect to the account.
