44.3.2 Where a report shows a net amount owed by the Contractor to the Authority, the Contractor shall pay that amount to the Authority on or before the date falling thirty (30) Days after the date of the invoice, or at the option of the Authority carry forward that amount to the next invoice in reduction of the amount which would otherwise have been owed by the Authority to the Contractor.

44.4 Interest on Late Payment

Except where otherwise specifically provided, where any payment or sum of money due from the Contractor to the Authority or from the Authority to the Contractor under any provision of this Contract is not paid on or before the due date, it shall bear interest on that amount at the Prescribed Rate from the due date (whether before or after any judgment) until actual payment and it is agreed between the Parties that the Prescribed Rate and the provisions of this Contract provide the Contractor with a substantial remedy pursuant to sections 8 and 9 of the Late Payment of Commercial Debts (Interest) Act 1998.

44.5 **Disputed Amounts**

44.5.1 If the Authority disputes the Contractor's entitlement to any part of the amount claimed by the Contractor pursuant to this **clause 44 (Payment Provisions)**, the provisions of this **clause 44.5 (Disputed Amounts)** shall apply.

44.5.2 The Authority shall notify the Contractor in writing within ten (10) Business Days after receipt by the Authority of the relevant invoice and supporting information of that part of the amount (insofar as at the time of such notice the Authority is reasonably able to quantify it) which the Authority (acting in good faith) disputes (a "Disputed Amount") and submit to the Contractor such supporting evidence as the Authority may have.

44.5.3 The Authority may withhold payment of any Disputed Amount pending agreement or determination of the Contractor's entitlement in relation to the Disputed Amount but shall pay on the due date any undisputed amounts.

Within ten (10) Business Days following receipt by the Contractor of any notice served by the Authority pursuant to **clause 44.5.2 (Disputed Amounts)**, the Contractor shall respond by notifying the Authority as to whether or not it agrees with the statements made in that notice. 44.6.1 to retain on a permanent basis any amounts withheld pursuant to **clause 44.5.3 (Disputed Amounts)**; and

44.6.2 to reclaim from the Contractor the amount of any over-payment which may have been made to the Contractor, together with interest on any such amount at the Prescribed Rate calculated on a daily basis and

compounded quarterly from the date on which the over-payment was made until that amount has been paid in full and whether before or after judgment.

44.7 Dispute

If the Contractor responds (pursuant to **clause 44.6 (Response to Authority Notice)**) that it does not agree with all or any of the statements made in any notice served by the Authority pursuant to **clause 44.6.2 (Response to Authority Notice)**, the matter or matters in question shall be determined under the Dispute Resolution Procedure.

44.8 Determination of Dispute

If the determination of any dispute conducted pursuant to **clause 44.7 (Dispute)** shows that:

44.8.1 the Authority has withheld any amount which the Contractor was entitled to be paid; or

44.8.2 the Contractor has claimed under **clause 44 (Payment Provisions)** any amount which it was not entitled to be paid,

the Authority shall pay such amount to the Contractor or the Contractor shall repay such amount to the Authority with interest in each case on that amount at the Prescribed Rate calculated on a daily basis and compounded quarterly from the date on which payment should have been made (in the case of failure to pay the Authority) or from the date on which over-payment was made (in the case of excessive claims by the Contractor) until all relevant monies have been paid in full and whether before or after judgment.

45. TAXATION

45.1 Value Added Tax

45.1.3 Where under this Contract any amount is calculated by reference to any

sum which has or may be incurred by any person, the amount shall include any VAT in respect of that amount only to the extent that such VAT is not recoverable as input tax by that person (or a member of the same VAT group), whether by set off or repayment.

45.1.4 The Contractor shall provide the Authority with any information reasonably requested by the Authority in relation to the amount of VAT chargeable in accordance with this Contract and payable by the Authority to the Contractor.

49. TERMINATION ON CONTRACTOR DEFAULT

49.1 Persistent Breach

49.1.1 If a particular breach (other than any breach for which Performance Points

could have accrued and/or for which a Deduction could have been made), has continued for more than fourteen (14) Days or occurred more than three (3) times in any six (6) Month period then the Authority may serve a notice on the Contractor:

49.1.1.1 specifying that it is a formal warning notice;

49.1.1.2 giving reasonable details of the breach; and

paragraphs (a), (g), (h) and (m) of the definition of Contractor Default this Contract will terminate on the Day falling forty (40) Business Days after the date the Contractor receives the Termination Notice, unless:

- (a) in the case of a breach under paragraph (a) of the definition of Contractor Default the Contractor puts forward an acceptable rectification programme within twenty (20) Business Days after the date the Contractor receives the Termination Notice (and implements such programme in accordance with its terms and rectifies the Contractor Default in accordance with the programme); or

49.2.3 If the Contractor either rectifies the Contractor Default within the time period specified in the Termination Notice, or implements the rectification programme, if applicable, in accordance with its terms, the Termination Notice will be deemed to be revoked and this Contract will continue.

49.2.4 If:

49.2.4.1 in the case of a Contractor Default within paragraph (a) of the definition of Contractor Default, no acceptable rectification programme has been put forward pursuant to **clause 49.2.2(a) (Rectification)** and the Contractor fails to

rectify the Contractor Default within the time period specified in the Termination Notice; or

49.3 **Notice of Default Events**

The Contractor shall notify the Authority immediately it has knowledge of any event which constitutes a Contractor Default.

49.4 **Compensation on Termination for Contractor Default**

- 49.4.1 On termination of the Contract under this **clause 49 (Termination on Contractor Default)**, the Authority may recover from the Contractor the costs reasonably incurred of making other arrangements for the provision of the Custodial Service (including, for the avoidance of doubt, the Authority's administrative costs) up to the Expiry Date provided that in the payment of compensation by the Contractor only the difference in cost between the amount that would have been paid by the Authority for the provision of the Custodial Service had a Contractor Default not occurred and amounts reasonably incurred by the Authority for the delivery of the Custodial Service by an alternative provider (which the Authority shall take reasonable steps to mitigate) shall be paid by the Contractor to the Authority.

- 49.4.2 The amount which would have been paid to the Contractor had a Contractor Default not occurred shall, for the purposes of this clause, be calculated as:

- 49.4.2.1 where the Custodial Service Period at the Termination Date was three (3) Months or more, the average Monthly Service

Payment paid or payable by the Authority per Month (excluding VAT and any payment in respect of Planned Capital Expenditure) in respect of the Custodial Service provided in the three (3) Month period immediately preceding the Termination Date; or

- 49.4.2.2 where the Custodial Service Period at the Termination Date was less than three (3) Months, the average Monthly Service Payment paid or payable by the Authority per Month during the Custodial Service Period (excluding VAT and any payment in respect of Planned Capital Expenditure) in respect of the Custodial Service provided in the Custodial Services Period;

in each case multiplied by the number of Months in respect of which compensation is payable.

- 49.4.3 On termination of the Contract pursuant to this **clause 49 (Termination on Contractor Default)**, the Authority shall pay or allow to the Contractor an amount equal to the Contractor's Restructuring Costs, Planned Capital Expenditure and Mobilisation, Transition and Transformation Costs if and to the extent that:

49.4.3.1 all relevant Capital Works have been carried out and completed at the Termination Date, and

49.4.3.2 such Restructuring Costs, Planned Capital Expenditure and Mobilisation, Transition and Transformation Costs have not been recovered through the Monthly Payments as at the Termination Date.

49.5 **Transfer of Assets on Contractor Default**

On termination under this **clause 49 (Termination on Contractor Default)**, the Authority shall have the option to require the Contractor to transfer all of its rights, title and interest in and to the Assets to the Authority or as directed by the Authority.

50. **TERMINATION ON FORCE MAJEURE**

50.1 **Termination**

50.1.1 No Party shall be entitled to bring a claim for a breach of obligations under this Contract by the other Party or incur any liability to the other Party for

any losses or damages incurred by that other Party to the extent that a Force Majeure Event occurs and it is prevented from carrying out obligations by that Force Majeure Event.

- 50.1.2 The Authority shall not be entitled to terminate this Contract for a Contractor Default if such Contractor Default arises from a Force Majeure Event (but without prejudice to **clauses 50.1.6 (Termination) or 50.1.8 (Termination)**).
- 50.1.3 Nothing in **clause 50.1 (Termination)** shall affect any entitlement to make Deductions in the period during which the Force Majeure Event is subsisting.
- 50.1.4 On the occurrence of a Force Majeure Event, the Affected Party shall notify the other Party as soon as practicable. The notification shall include details of the Force Majeure Event, including evidence of its effect on the obligations of the Affected Party and any action proposed to mitigate its effect.
- 50.1.5 As soon as practicable following such notification, the Parties shall consult with each other in good faith and use all reasonable endeavours to agree appropriate terms to mitigate the effects of the Force Majeure Event and facilitate the continued performance of this Contract.
- 50.1.6 If no such terms are agreed on or before the date falling eighty (80) Business Days after the date of the commencement of the Force Majeure Event and such Force Majeure Event is continuing or its consequence remains such that the Affected Party is unable to comply with its obligations under this Contract for a period of more than one hundred and twenty (120) Business Days, then, subject to **clause 50.1.7 (Termination)**, either Party may terminate this Contract by giving twenty (20) Business Days' written notice to the other Party.
- 50.1.7 If this Contract is terminated under **clauses 50.1.6 (Termination) or 50.1.8 (Termination)**:
- 50.1.7.1 compensation shall be payable by the Authority in accordance with **clause 50.2 (Compensation on Termination on Force Majeure)**; and

If the Authority gives the Contractor such notice, then:

50.1.8.1 the Authority shall pay to the Contractor the Maximum Contract Price for each Month of each Contract Year from the Day after the date on which this Contract would have terminated under **clause 50.1.6 (Termination)** until the Expiry Date or Termination Date (as the case may be) as if the Custodial Service was being fully provided; and

50.1.8.2 this Contract will not terminate until expiry of written notice (of at least twenty (20) Business Days) from the Authority to the Contractor that it wishes this Contract to terminate.

50.1.9 The Parties shall at all times following the occurrence of a Force Majeure Event use all reasonable endeavours to prevent and mitigate the effects of any delay and the Contractor shall at all times during which a Force Majeure Event is subsisting take all steps in accordance with Good Industry Practice to overcome or minimise the consequences of the Force Majeure Event.

50.1.10 The Affected Party shall notify the other Party as soon as practicable after the Force Majeure Event ceases or no longer causes the Affected Party to be unable to comply with its obligations under this Contract. Following such notification this Contract shall continue to be performed on the terms existing immediately prior to the occurrence of the Force Majeure Event.

50.2 **Compensation on Termination on Force Majeure**

50.2.1 On termination of this Contract under **clause 50.1 (Termination on Force Majeure)**, the Authority shall pay to the Contractor the "Force Majeure Termination Sum" in accordance with **clauses 53 (Gross Up of Termination Payments)** and **54 (Method of Payment)**. The Force Majeure Termination Sum shall be an amount equivalent to the Contractor Breakage Costs provided that for the purposes of the Force Majeure Termination Sum, no loss of profits shall be compensated.

50.2.2 If the amount referred to in **clause 50.2.1 (Compensation on**

Termination on Force Majeure) is less than zero, then, for the purposes of the calculation in **clause 50.2.1 (Compensation on Termination on Force Majeure)** it shall be deemed to be zero.

50.2.3 On termination under this **clause 50 (Termination on Force Majeure)**, the Authority shall have the option to require the Contractor to transfer all of its rights, title and interest in and to the Assets to the Authority or as directed by the Authority.

51.3 Termination for Prohibited Equality and Diversity Act

51.3.1 If the Contractor or any Sub-Contractor (or anyone employed by or acting on behalf of any of them) or any of its or their agents commits any Prohibited Equality and Diversity Act, then the Authority shall be entitled to act in accordance with **clauses 51.3.2 (Termination for Prohibited Equality and Diversity Act) to 51.3.6 (Termination for Prohibited Equality and Diversity Act)**.

- 51.3.2 If a Prohibited Equality and Diversity Act is committed by the Contractor or by an employee not acting independently of the Contractor, then the Authority may terminate this Contract by giving notice to the Contractor.
- 51.3.3 If the Prohibited Equality and Diversity Act is committed by an employee of the Contractor acting independently of the Contractor, then the Authority may give notice to the Contractor of termination and this Contract will terminate, unless within twenty (20) Business Days after receipt of such notice the Contractor terminates the employee's employment and (if necessary) procures the performance of such part of the Custodial Service by another person.

55. CHANGES TO PROJECT DOCUMENTS

55.1 No Increase in Liability

No amendment, waiver or exercise of a right under any Project Document shall have the effect of increasing the Authority's liabilities on early termination of this Contract

unless the Contractor has obtained the prior written consent of the Authority to such increased liability for the purposes of this **clause 55 (Changes to Project Documents)**

55.2 **Conflict**

In the event of any conflict between the provisions of this **clause 55 (Changes to Project Documents)** and any other provision of this Contract, the provisions of this **clause 55 (Changes to Project Documents)** shall prevail.

56. **EXCLUSIVITY OF REMEDY**

Save as provided in and subject to **clause 57 (Continuing Obligations)**, any payment of compensation shall be in full satisfaction of any claim which can be made against the Authority by the Contractor in relation to the termination of this Contract. The payment of compensation under **clauses 48.2 (Compensation on Termination for Authority Default)**, **50.2 (Compensation on Termination on Force Majeure)** and/or **52.2 (Compensation on Voluntary Termination)** shall be the sole remedy of the Contractor against the Authority in respect of termination of the Contract.

57. **CONTINUING OBLIGATIONS**

Except as otherwise expressly provided in this Contract or as already taken into account in the calculation of any Termination Sum or other payment of compensation on termination pursuant to this Contract, and notwithstanding the provisions of **clause 56 (Exclusivity of Remedy)**:

57.1 termination of this Contract shall be without prejudice to any accrued rights or obligations under this Contract as at the Termination Date; and

57.2 termination of this Contract shall not affect the continuing rights and obligations of the Contractor and the Authority under **clauses 7 (Nature of Land Interests)**, **42 (TUPE and Employees)**, **44 (Payment Provisions)**, **46 (Set Off)**, **48.2 (Compensation on Termination for Authority Default)**, **49.4 (Compensation on Termination for Contractor Default)**, **50.2 (Compensation on Termination on Force Majeure)**, **51.4 (Compensation on Termination for Corrupt Gifts and Fraud and Prohibited Equality and Diversity Act)**, **52.2 (Compensation on Voluntary Termination)**, **59 (Transition to Another Contractor)**, **65 (Information and Confidentiality)**, **66 (Public Relations and Publicity)**, **68 (Contractor's Records and Provision of Information)**, **69 (Data Protection)**, **70 (Indemnities and Liabilities)**, **72 (Insurance)**, **74 (Dispute Resolution)**, **75 (Intellectual Property Rights)**, **76.1 (Restrictions on Transfer of this Contract by the Authority)**, **84 (Notices)**, **87 (Governing Law and Jurisdiction)** and **91 (Capacity)** or under any other provision

of this Contract which is expressed to survive termination or which is required to give effect to such termination or the consequences of such termination.

58. SURVEYS ON EXPIRY AND RETENTION FUND

58.1 Final Survey

58.1.1 No later than the date eighteen (18) Months prior to the Expiry Date, the Authority shall be entitled to carry out or procure the carrying out of a final survey of the Prison and, to the extent not included in the Prison, the Premises to assess whether it has been and is being maintained by the Contractor in accordance with its obligations under **clause 25 (Maintenance of Prison)** ("the Required Standard").

58.1.2 The Authority shall notify the Contractor in writing a minimum of five (5) Business Days before the date it wishes to carry out or procure the carrying out of the final survey. The Authority shall consider in good faith any reasonable request by the Contractor for the final survey to be carried out on a different date if such request is made at least two (2) Business Days prior to the notified date and the Contractor (acting reasonably) is able to demonstrate that carrying out the final survey on the notified date would materially prejudice the Contractor's ability to provide the Custodial Service.

58.2 Minimisation of Disruption

Where the Authority carries out or procures the carrying out of the final survey, the Authority shall use reasonable endeavours to minimise any disruption caused to the provision of the Custodial Service by the Contractor. The Contractor shall afford the Authority or any person carrying out the survey (free of charge) any reasonable assistance required by the Authority during the carrying out of the final survey.

58.3 Results of Survey

If the final survey shows that the Contractor has not complied with or is not complying with its obligations under **clause 25 (Maintenance of Prison)**, the Authority shall:

58.3.1 notify the Contractor of the rectification and/or maintenance work which is required to bring the condition of the Prison and, to the extent not included in the Prison, the Premises to the standard they would have been in if the Contractor had complied or was complying with its obligations under **clause 25 (Maintenance of Prison)**;

58.3.2 specify a reasonable period within which the Contractor must carry out such rectification and/or maintenance work; and

58.3.3 recover the cost of the survey from the Contractor by means of a deduction from the next payment or payments of the Contract Price.

58.4 **Maintenance Work**

The Contractor shall carry out such rectification and/or maintenance work notified pursuant to **clause 58.3.1 (Results of Survey)** (the “Outstanding Work”) in order to bring the condition of the Prison up to the Required Standard within the period specified and any costs it incurs in carrying out the Outstanding Work shall be at its own expense.

58.5 **Retention Fund**

If the Contractor has been notified under **clause 58.3.1 (Results of Survey)** that rectification and/or maintenance work is required, then twelve (12) Months prior to the Expiry Date the Authority shall (to the extent that the Outstanding Work has not been carried out in the interim) deduct the costs of that work as quantified by the survey referred to in **clause 58.1 (Final Survey)** from the next following instalment (or, if the amount of such instalment is insufficient, the next instalments as necessary) of the Contract Price and pay such amount into an interest bearing account (the “Retention Fund Account”).

58.6 **Costs**

If and to the extent that the Contractor carries out the Outstanding Work to the Authority’s reasonable satisfaction within the specified period, to the extent that there are funds standing to the credit of the Retention Fund Account, the Authority shall reimburse the Contractor’s costs of so doing by withdrawing amounts from the Retention Fund Account. If the amount in the Retention Fund Account is insufficient to cover the Contractor’s costs, the Contractor shall bear the balance of such costs itself.

58.7 **Failure to Carry Out Work**

If and to the extent that the Contractor fails to carry out the Outstanding Work to the Authority’s reasonable satisfaction within the specified period, the Authority shall be entitled to carry out itself, or procure, such rectification and/or maintenance work at the Contractor’s expense and shall make withdrawals from the Retention Fund Account or, where there are insufficient funds in the Retention Fund Account, make deductions from any subsequent payment of the Contract Price to pay for such work

or recover such amounts from the Contractor as a debt payable on demand.

58.8 Balance of Fund

If:

58.8.1 all the Outstanding Work identified by the Authority or the person the Authority procures to carry out the final survey has been carried out to the Authority's reasonable satisfaction;

58.8.2 all such Outstanding Work has been paid for by the Contractor; and

58.8.3 no Termination Notice is outstanding,

then the Authority shall pay any credit balance on the Retention Fund Account to the Contractor as soon as practicable.

59. TRANSITION TO ANOTHER CONTRACTOR

59.1 Duty to Co-operate

During the eighteen (18) Months immediately preceding the Expiry Date or during the period of any Termination Notice, and in either case for a reasonable period subsequently, the Contractor shall co-operate fully with the transfer of responsibility for the Custodial Service (or any part of the Custodial Service) to the Authority or any New Contractor of such services the same or similar to the Custodial Service, and for the purposes of this **clause 59 (Transition to Another Contractor)** the meaning of the term "co-operate" shall include:

59.1.1 liaising with the Authority and/or any New Contractor, and providing reasonable assistance and advice concerning the Custodial Service and their transfer to the Authority or to such New Contractor;

59.1.2 allowing any New Contractor access (at reasonable times and on reasonable notice) to the Prison but not so as to interfere with or impede the provision of the Custodial Service;

59.1.3 without prejudice to the obligations of the Contractor pursuant to **clause 31 (Operating Manual)**, providing to the Authority and/or to any New Contractor all and any information concerning the Site, the Prison, and/or the Custodial Service which is reasonably required for the efficient transfer of responsibility for their performance, but excluding information which is Commercially Sensitive to the Contractor (and for the purpose of this **clause 59.1.3 (Duty to Co-operate)**, "Commercially Sensitive" shall mean

information which would, if disclosed to a competitor of the Contractor give that competitor a competitive advantage over the Contractor and so prejudice the business of the Contractor but shall not include any information referred to in **clause 42 (TUPE and Employees)** and **Schedule 18 (TUPE, Employees and Pensions)**); and

59.1.4 transferring its rights, title and interest in and to the Assets to the New Contractor with effect on and from the Termination Date or the Expiry Date (as the case may be).

59.2 **Transfer of Responsibility**

The Contractor shall use all reasonable endeavours so as to facilitate the smooth transfer of responsibility for the Custodial Service to a New Contractor or to the Authority, as the case may be, and the Contractor shall take no action at any time during the term of this Contract or afterwards which may prejudice, frustrate or make more difficult such transfer.

59.3 **Handback**

59.3.1 Upon the termination or expiry of the Contract, the Contractor shall ensure that:

59.3.1.1 all areas which the Contractor has used for storage or operation have been left clean and tidy and all rubbish has been removed from the Site or, if a greater area, the Premises;

59.3.1.2 all spares and parts have been stored in good order and protected from any damage of contamination and damp and a comprehensive schedule of such spares and parts has been handed to the Authority, or the Authority's agent;

59.3.1.3 all consumables, oils, solvents, chemicals, gas canisters and aerosols have been safely removed from the Site or, if a greater area, the Premises, save where otherwise agreed with the Authority's Representative; and

59.3.1.4 it has given at least six (6) months' notice to its Sub-Contractors of the expiry of the Contract, details of which shall be agreed with the Authority's Representative.

PART XII - RELIEF EVENTS**60. RELIEF EVENTS****60.1 Occurrence**

If and to the extent that a Relief Event:

60.1.1 is the direct cause of a failure by the Contractor to achieve:

60.1.1.1 the Services Commencement Date;

60.1.1.2 a reduction in the number of Available Prisoner Places on or before the date specified in any RRAPP Band Activation Notice or (following the relevant date in the RRAPP Band Activation Notice) the further delay in the reduction in the number of Available Prisoner Places, in either case for any period;

60.1.1.3 the provision of an increase in number of Available Prisoner Places on or before the date specified in any RRAPP Band Deactivation Notice or (following the relevant date in the RRAPP Band Deactivation Notice) the further provision of an increase in the number of Available Prisoner Places, in either case for any period; and/or

60.1.2 adversely affects the ability of the Contractor to perform any of its obligations under this Contract,

then the Contractor shall be entitled to apply for relief from any rights of the Authority arising under **clause 49 (Termination on Contractor Default)** and its obligations under this Contract.

60.2 Relief

Subject to **clause 60.5 (Information)**, to obtain relief, the Contractor must:

60.2.1 as soon as practicable, and in any event within twenty (20) Business Days after it becomes aware that the Relief Event has caused or is likely to cause delay and/or adversely affect the ability of the Contractor to perform its other obligations, give to the Authority a notice of its claim for relief from its obligations under this Contract, including full details of the nature of the Relief Event, the date of occurrence and its likely duration;

60.2.2 within five (5) Business Days after receipt by the Authority of the notice referred to in **clause 60.2.1 (Relief)**, give full details of the relief claimed; and

60.2.3 demonstrate to the reasonable satisfaction of the Authority that:

60.2.3.1 the Contractor and its Sub-Contractors could not have avoided such occurrence or consequences by steps which they might reasonably be expected to have taken, without incurring material expenditure;

60.2.3.2 the Relief Event directly caused:

(a) the failure to achieve the Services Commencement Date;

(b) a failure to achieve a reduction in the number of Available Prisoner Places on or before the date specified in any RRAPP Band Activation Notice or (following the relevant date in the RRAPP Band Activation Notice) the further delay in the reduction in the number of Available Prisoner Places, in either case for any period;

(c) a failure to provide an increase in the number of Available Prisoner Places on or before the date specified in any RRAPP Band Deactivation Notice or (following the relevant date in the RRAPP Band Deactivation Notice) the further provision of an increase in the number of Available Prisoner Places, in either case for any period; and/or

(d) the need for relief from other obligations under this Contract;

60.2.3.3 the time lost and/or relief from the obligations under this Contract claimed could not reasonably be expected to be mitigated or recovered by the Contractor acting in accordance with Good Industry Practice, without incurring material expenditure; and

60.2.3.4 the Contractor is using reasonable endeavours to perform its obligations under this Contract.

60.3 **Consequences**

In the event that the Contractor has complied with its obligations under **clause 60.2 (Relief)**:

60.3.1 then:

60.3.1.1 the Services Commencement Date;

60.3.1.2 any date specified in a RRAPP Band Activation Notice for a decrease in the number of Available Prisoner Places;

60.3.1.3 any date specified in a RRAPP Band Deactivation Notice for an increase in the number of Available Prisoner Places,

shall be postponed by such time as shall be reasonable for such a Relief Event, taking into account the likely effect of delay; and/or

60.3.2 the period referred to in paragraph (i) of the definition of Contractor Default shall be extended by such time as shall be reasonable for such a Relief Event, taking into account the likely effect of delay;

60.3.3 the Authority shall not be entitled to exercise its right to terminate this Contract under **clause 49 (Termination on Contractor Default)** and, subject to **clause 60.4 (Deductions)**, shall give such other relief as has been requested by the Contractor.

60.4 **Deductions**

Nothing in **clause 60.3 (Consequences)** shall affect any entitlement to make Deductions under **clause 44 (Payment Provisions)** and **Schedule 5 (Payment Mechanism)** during the period in which the Relief Event is subsisting provided that any such Deductions shall be disregarded for the purposes of the Authority's right to terminate this Contract for Contractor Default.

60.5 **Information**

In the event that information required by **clause 60.2 (Relief)** is provided after the dates referred to in that clause, then the Contractor shall not be entitled to any relief during the period for which the information is delayed.

60.6 **Notice**

The Contractor shall notify the Authority if at any time it receives or becomes aware of any further information relating to the Relief Event, giving details of that information to the extent that such information is new or renders information previously submitted materially inaccurate or misleading.

60.7 **Disputes**

If the Parties cannot agree the extent of the relief required, or the Authority disagrees that a Relief Event has occurred or that the Contractor is entitled to any extension to the Services Commencement Date, any date specified in a RRAPP Band Activation Notice for a decrease in the number of Available Prisoner Places, any date specified in a RRAPP Band Deactivation Notice for an increase in the number of Available Prisoner Places and/or the period referred to in paragraph (i) of the definition of Contractor Default and/or relief from other obligations under this Contract, the Parties shall resolve the matter in accordance with the Dispute Resolution Procedure.

As soon as practicable after receipt of any notice from either Party under **clause 62.2 (Qualifying Change In Law)**, the Parties shall discuss and agree the issues referred to in **clause 62.2 (Qualifying Change In Law)** and any ways in which the Contractor can mitigate the effect of the Qualifying Change in Law, including:

- 62.3.1 providing evidence that the Contractor has used reasonable endeavours (including (where practicable) the use of competitive quotes) to oblige its sub-contractors to minimise any increase in costs and maximise any reduction in costs;

62.9 **Other Change in Law**

62.9.1 Either Party may give notice to the other of the need for a Change which is necessary in order to enable the Contractor to comply with any General

Change in Law (other than a Qualifying Change in Law).

62.9.2 The Parties shall, within fifteen (15) Business Days of a notice referred to in **clause 62.9.1 (Other Change in Law)**, meet and discuss the effect of any such General Change in Law and any Change required as a consequence of it.

63. **FINANCIAL ADJUSTMENTS**

63.1 **Updating the Base Case**

Whenever a Relevant Event occurs, the financial consequence shall (save where otherwise provided in this Contract or where the Parties mutually agree otherwise) be determined in accordance with this **clause 63 (Financial Adjustments)**. Where for the purposes of this **clause 63 (Financial Adjustments)** the Base Case is to be adjusted by reference to a Relevant Event, this shall be carried out by the Contractor, in consultation with the Authority, to reflect the cumulative impact of any prior Relevant Event on the version of the Base Case applicable immediately prior to the relevant adjustment and to reflect the impact of the Relevant Event in respect of which such adjustment is being undertaken. In calculating the Change in Costs and

in assessing other adjustments to be made to the Base Case arising from the Relevant Event, the Contractor shall be entitled to take into account, inter alia:

- 63.1.1 any Change in Costs;
- 63.1.2 reasonable economic assumptions prevailing at the time; and
- 63.1.3 changes in the prospective technical performance of the Contract arising as a result of the Relevant Event,

provided that the Authority shall not be required (and the Contractor shall not be entitled) to take into account the financial impact up to the date of the Relevant Event of those risks which the Contractor bears under the provisions of this Contract, including (to the extent so borne by the Contractor under this Contract) changes in VAT rates, taxation rates, RPIx, AWE (as defined in **Schedule 5 (Payment Mechanism)**) and the impact of Deductions.

63.2 **Application to the Base Case**

Where, pursuant to this Contract, either Party is entitled to payment of any sum the assessment of which properly requires reference to the Base Case, the adjustment to the Contract Price due shall be that required to ensure that, by reference to the Base Case adjusted under this **clause 63 (Financial Adjustments)**, the Contractor is left in a no better and no worse position than under the version of the Base Case applicable immediately prior to the relevant adjustment, and shall be ascertained by determining the adjustment to the Contract Price required to maintain the financial position of the Contractor with that in which it would have been under the version of the Base Case applicable immediately prior to the relevant adjustment.

63.3 **No Better and no Worse**

Any reference in this Contract to “no better and no worse” or to leaving the Contractor in a “no better and no worse position” shall be construed by reference to the Contractor’s:

- 63.3.1 rights, duties and liabilities under or arising pursuant to performance of this Contract; and
 - 63.3.2 ability to perform its obligations and exercise its rights under this Contract,
- so as to ensure that:
- 63.3.3 the Contractor is left in a position which is no better and no worse in relation to its percentage profit margin by reference to the version of the

Base Case applicable immediately prior to the Relevant Event than had the Relevant Event not occurred; and

63.3.4 the ability of the Contractor to comply with this Contract is not adversely affected or improved as a consequence of the Relevant Event.

63.4 Replacement of Base Case

Any Base Case produced following adjustments in accordance with this **clause 63 (Financial Adjustments)** shall, when it is approved by the Authority (such approval not to be unreasonably withheld), become the Base Case for the purposes of this Contract until its further amendment in accordance with this Contract.

63.5 Amendments to Logic and/or Formulae

Where it is necessary to amend the logic or formulae incorporated in the Base Case to permit adjustments to be made, this shall be done to the extent necessary and in accordance with generally accepted accounting principles.

63.6 Copies of the Revised Base Case

Following any change to the Base Case under the provisions of this **clause 63 (Financial Adjustments)**, the Contractor shall promptly deliver a copy of the revised Base Case to the Authority in the same form as is established at the date of this Contract or in such other form as may be agreed between the Parties.

PART XIV - STEP-IN AND SECTION 88

64. AUTHORITY STEP-IN

64.1 Right to Step-In

Without prejudice to **clause 64.6 (Intervention under Section 88)**, if the Authority reasonably believes that it needs to take action in connection with the Custodial Service:

64.1.1 because a serious risk exists to the health or safety of persons or property or to the environment; and/or

64.1.2 to discharge a statutory duty; and/or

64.1.3 pursuant to **clause 41.11.3.2**

then the Authority shall be entitled to take action in accordance with **clauses 64.2 (Notice to the Contractor) to 64.5 (Step-In on Contractor Breach)**.

64.2 Notice to the Contractor

64.2.1 the action it wishes to take;

64.2.2 the reason for such action;

64.2.3 the date it wishes to commence such action;

64.3 Action by Authority

64.3.1 Following service of such notice, the Authority shall take such action as notified under **clause 64.2 (Notice to the Contractor)** and any consequential additional action as it reasonably believes is necessary (together, the "Required Action") and the Contractor shall give all reasonable assistance to the Authority while it is taking the Required Action. The Authority shall provide the Contractor with notice of completion of the Required Action and shall use reasonable endeavours to provide

such advance notice as is reasonably practicable of its anticipated completion.

- 64.3.2 Where the Required Action has been taken otherwise than as a result of a breach by the Contractor, the Authority shall undertake the Required Action in accordance with Good Industry Practice and shall indemnify and keep indemnified in full the Contractor against all Direct Losses where it fails to do so.

64.4 **Step-In without Contractor Breach**

If the Contractor is not in breach of its obligations under this Contract, then for so long as and to the extent that the Required Action is taken, and this prevents the Contractor from providing any part of the Custodial Service:

- 64.4.1 the Contractor shall be relieved from its obligations to provide such part of the Custodial Service; and
- 64.4.2 in respect of the period in which the Authority is taking the Required Action and provided that the Contractor provides the Authority with reasonable assistance (such assistance to be at the expense of the Authority to the extent that incremental costs are incurred), the Contract Price due from the Authority to the Contractor shall equal the amount the Contractor would receive if it were satisfying all its obligations and providing the Custodial Service affected by the Required Action in full over that period.

64.5 **Step-In on Contractor Breach**

If the Required Action is taken as a result of a breach of the obligations of the Contractor under this Contract, then for so long as and to the extent that the Required Action is taken, and this prevents the Contractor from providing any part of the Custodial Service:

- 64.5.1 the Contractor shall be relieved of its obligations to provide such part of the Custodial Service; and
- 64.5.2 in respect of the period in which the Authority is taking the Required Action, the Contract Price due from the Authority to the Contractor shall equal the amount the Contractor would receive if it were satisfying all its obligations and providing the Custodial Service affected by the Required Action in full over that period, less an amount equal to all the Authority's costs of operation in taking the Required Action.

64.6 **Intervention under Section 88**

64.6.1 Without prejudice to any other provision of this Contract, the Contractor shall note and comply with the provisions of Section 88.

64.6.2 If the Secretary of State for Justice shall appoint a Governor of the Prison by virtue of his powers under Section 88, then:

64.6.2.1 this Contract shall continue in force;

64.6.2.2 all provisions of this Contract shall, without prejudice to the Authority's rights under **Part X (Expiry and Termination)** of this Contract, continue to operate except that the functions that would otherwise be exercisable by the Director and the Controller shall be exercised by the Governor; and

64.6.2.3 for the period during which a Governor is appointed the Contract Price due from the Authority to the Contractor shall continue to be paid in accordance with **clause 44 (Payment Provisions)**, less an amount equal to all the Authority's costs of operation in respect of any action taken under this **clause 64.6.2 (Intervention under Section 88)**.

64.7 **Step-Out**

64.7.1 The Authority may, at any time during the period of the Required Action, provide notice (a "Step-Out Notice") to the Contractor stating that the Authority wishes to cease the Required Action with effect from such date as is reasonable in the circumstances (a "Step-Out Date").

64.7.2 Where the Authority exercised its rights to take the Required Action as a result of a breach of the obligations of the Contractor under this Contract then the Authority shall issue the Contractor with a Step-Out Notice as soon as is reasonably practicable following the Contractor having demonstrated to the Authority, to the Authority's reasonable satisfaction, that:

64.7.2.1 the Contractor is capable of resuming the provision of the Custodial Service; and

64.7.2.2 the circumstances which gave rise to the Required Action are not continuing and are unlikely to recur.

64.7.3 On the Step-Out Date:

- 64.7.3.1 the Authority shall be released from all of its obligations and liabilities in relation to the Required Action arising prior to the cessation of the Required Action; and
- 64.7.3.2 the Contractor shall resume the provision of all or any relevant part of the Custodial Service which was the subject of the Required Action.

65.2 Notice of Statutory Provisions

The Contractor shall take all reasonable steps, by instruction, display of notices or other appropriate means, to ensure that all persons including all Contractor's Staff or Sub-Contractors employed on any work in connection with this Contract have notice that these statutory provisions apply to them and shall continue to apply to them after the Expiry Date or Termination Date and after termination of their employment.

65.3 Confidentiality

65.3.1 The Parties agree that the provisions of this Contract and each Project Document shall, subject to **clause 65.3.2 (Confidentiality)**, not be treated as Confidential Information and may be disclosed without restriction provided that prior to such disclosure the Authority may, at its sole discretion, in whole or in part, redact information for one or more of the following grounds:

70.5.4.2 where a claim is made against the Contractor and the Authority is not, and is not likely to become, a party to such claim as a defendant, the Contractor shall not settle or compromise any claim exceeding **XXX (XXX)** (Indexed) without prior consultation with the Authority; and

70.5.4.3 it shall ensure that its Sub-Contractors give undertakings identical to those given by the Contractor to the Authority under this **clause 70.5 (Conduct of Claims)**.

70.5.5 If conduct of a claim is so assumed by the Authority pursuant to this **clause 70.5 (Conduct of Claims)**, the Authority shall hold the Contractor and its insurers harmless against all or any Direct Losses which either of them may incur by reason of its conduct of the claim and any settlement of the relevant claim or judgment being given if the settlement is made without their prior written approval (such approval not to be unreasonably withheld or delayed).

70.6 Mitigation

The Indemnified Party shall at all times take all reasonable steps to minimise and mitigate any loss for which the Indemnified Party is entitled to bring a claim against the Indemnifying Party pursuant to this Contract.

70.7 Limitation of Liability

70.7.1 Subject to **clauses 70.1.1.5 (Contractor's Indemnity)** and **70.7.3 (Limitation of Liability)** and unless otherwise expressly provided, the maximum amount for which the Contractor shall be liable to the Authority in any Contract Year in respect of Uninsured Losses shall be limited to:

- 70.7.1.1 in respect of any one incident or series of incidents arising out of any one event, an amount equivalent to **XXX (XXX)** of the amount stated in the “Total Cost” cost line of the Base Case for the Contract Year in which such incident or incidents occur; and
- 70.7.1.2 an aggregate amount for that Contract Year equivalent to **XXX (XXX)** of the total of the Monthly Contract Price for each Month of that Contract Year.
- 70.7.2 For the purposes of this **clause 70.7 (Limitation of Liability)**, “Uninsured Losses” shall mean any Losses of the Authority against which the Contractor is not required to maintain insurance pursuant to **clause 72 (Insurance)**, including (without limitation) any deductibles and excesses of loss.
- 70.7.3 For the avoidance of doubt and without prejudice to or limitation of any other liability the Contractor may have under this Contract, this **clause 70.7 (Limitation of Liability)** shall not apply in respect of:
- 70.7.3.1 any liability the Contractor may have in respect of:
- (a) personal injury or death resulting from the negligence of the Contractor or any Contractor Related Party; or
- (b) fraud; or
- 70.7.3.2 any Deductions.
- 70.8 **Limitation of Liability under clause 70.1.1.5**
- 70.8.1 The provisions of this **clause 70.8 (Limitation of Liability under clause 70.1.1.5)** shall apply to claims made by the Authority under **clause 70.1.1.5 (Contractor’s Indemnity)**.
- 70.8.2 Not used.
- 70.8.3 If the Authority has to house prisoners who should have been accommodated at the Prison outside the Prison due to any failure by the Contractor to fulfil its obligations under this Contract to provide Available Prisoner Places, the Authority shall:
- 70.8.3.1 on the Contractor’s written request, increase the Permitted Level (either on a temporary or a permanent basis) if and to

the extent that such increase, in the Authority's opinion, will not prejudice the level of security and safety in the Prison and the control of Prisoners as required under the Operating Procedures;

70.8.3.2 mitigate the relevant Losses where it is reasonably practicable to do so, for example taking reasonable steps to arrange for such prisoners to be housed in alternative accommodation that is not more costly than other suitable accommodation reasonably available to the Authority at the relevant time (having regard to the circumstances from time to time); and

70.8.3.3 to the extent practicable (having regard to the then existing circumstances) consult with the Contractor as to where such prisoners should be accommodated.

70.8.4 In the case of prisoners housed in alternative accommodation not managed by the Authority, the Authority shall only be entitled to recover Losses under **clause 70.1.1.5 (Contractor's Indemnity)** to the extent that the payment by the Authority for such accommodation exceeds the amount that the Authority would pay to the Contractor for providing an Available Prisoner Place to accommodate each such Prisoner if the Contractor were satisfying all its obligations and providing the Custodial Service in full over that period.

70.8.5 The amount of Losses recoverable under **clause 70.1.1.5 (Contractor's Indemnity)** shall be calculated by deducting (to the extent not already taken into account) from the total of the relevant Losses the aggregate of the following:

70.8.5.1 any damages for breach of contract received by the Authority in respect of the failure by the Contractor to provide such Available Prisoner Places (whether pursuant to **clause 19 (Services Commencement), Schedule 5 (Payment Mechanism)** or otherwise);

70.8.5.2 any insurance proceeds received by the Authority in respect of the failure by the Contractor to provide such Available Prisoner Places; and

70.8.5.3 the amount of the Contract Price the Authority would have

paid the Contractor if the Contractor had provided the required number of Available Prisoner Places.

70.8.6 If the Authority recovers any amount (the “Relevant Amount”) pursuant to **clause 70.1.1.5 (Contractor’s Indemnity)** and subsequently receives amounts of the type described in **clauses 70.8.5.1 (Limitation of Liability under clause 70.1.1.5)**, or **70.8.5.2 (Limitation of Liability under clause 70.1.1.5)** in circumstances that amount to double recovery, the Authority shall (subject to the other provisions of this Contract and any rights of set off), to the extent of such double recovery, reimburse the party from whom the Relevant Amount was received within twenty (20) Business Days after written demand for reimbursement.

70.9 **No Prejudice to clause 73**

For the avoidance of doubt, this **clause 70 (Indemnities and Liabilities)** shall take effect without prejudice to the Contractor’s obligations under **clause 73 (Liability for Loss and Damage)**.

71. **MUTUAL AID**

71.1 **Application**

This **clause 71 (Mutual Aid)** applies only to the provision of Mutual Aid within the terms of the Custodial Service Specification.

71.2 **Prison Officers Reporting to the Prison**

71.2.1 Subject to **clause 71.2.2 (Prison Officers Reporting to the Prison)**, the Authority shall be responsible for and shall release and indemnify and keep indemnified in full and on demand the Contractor from and against all Direct Losses arising as a result of:

71.2.1.1 personal injury to any prison officer (other than a member of the Contractor’s Staff) sustained during the period when such prison officer is reporting for Mutual Aid purposes to the Prison; or

71.2.1.2 injury, loss or damage to a third party (other than the Contractor or any Contractor Related Party) caused or contributed to by the act or omission of such prison officer.

71.2.2 The Authority shall not be responsible or be obliged to indemnify the Contractor if any such Direct Loss has arisen in whole or in part as a result

of a command given by the Contractor or any Contractor Related Party within the command structure operating at the time for Mutual Aid purposes at the Prison and either:

71.2.2.1 a public duty defence in respect of the claim is unsuccessful;
or

71.2.2.2 with the prior written approval of the Authority, such defence is not pursued,

and such Direct Loss shall be the responsibility of the Contractor and the Contractor shall indemnify and keep indemnified in full and on demand the Authority in respect of such Direct Loss.

71.3 Contractor's Staff Reporting to other Prisons

71.3.1 Subject to **clause 71.3.2 (Contractor's Staff Reporting to other Prisons)**, the Contractor shall, notwithstanding the limits set out in **clause 70.8 (Limitation of Liability under clause 70.1.1.5)** be responsible for and shall release and indemnify and keep indemnified in full and on demand the Authority from and against all Direct Losses arising as a result of:

71.3.1.1 personal injury to any member of the Contractor's Staff sustained during the period when such member of the Contractor's Staff is reporting for Mutual Aid purposes to any other prison; or

71.3.1.2 injury, loss or damage to a third party (other than the Authority and its employees) caused or contributed to by the act or omission of such member of the Contractor's Staff.

71.3.2 The Contractor shall not be responsible or be obliged to indemnify the Authority if any such Direct Loss has arisen in whole or in part as a result of a command given by an officer within the command structure operating at the time for Mutual Aid purposes at such prison and either:

71.3.2.1 a public duty defence in respect of the claim is unsuccessful;
or

71.3.2.2 with the prior written approval of the Authority, such defence is not pursued,

and such Direct Loss shall be the responsibility of the Authority and the

Authority shall indemnify and keep indemnified in full and on demand the Contractor in respect of such Direct Loss.

72. **INSURANCE**

72.1 **Obligation to Maintain**

The Contractor shall during the Custodial Service Period take out and maintain or procure the maintenance of the insurances described in Part 1 of **Schedule 7 (Required Insurances)** and any other insurances as may be required by law. These insurances must be effective in each case not later than the date on which the relevant risk commences.

72.2 **Obligation on Parties**

Neither Party to this Contract shall take any action or fail to take any reasonable action, or (insofar as it is reasonably within its power) permit anything to occur in relation to it, which would entitle any insurer to refuse to pay any claim under any insurance policy in which that Party is an insured, a co-insured or an additional insured person.

72.3 **Nature of Insurances**

72.3.1 With the exception of any insurances required by law, the insurances referred to in **clause 72.1 (Obligation to Maintain)** shall:

72.3.1.1 subject to **clauses 72.3.2 (Nature of Insurances)**, name the Contractor as co-insured with any other party maintaining the insurance;

72.3.1.2 provide for non-vitiating protection in respect of any claim made by the Authority as co-insured in accordance with Endorsement 2 in Part 2 of **Schedule 7 (Required Insurances)**;

72.3.1.3 contain a clause waiving the insurers' subrogation rights against the Authority, its employees and agents in accordance with Endorsement 2 in Part 2 of **Schedule 7 (Required Insurances)**;

72.3.1.4 provide for thirty (30) days' prior written notice of their cancellation, non-renewal or amendment to be given to the Authority in accordance with Endorsement 1 in Part 2 of **Schedule 7 (Required Insurances)**; and

72.3.1.5 in respect of the Physical Damage policy provide for payment of any proceeds received by the Contractor to be applied in accordance with **clause 72.13 (Reinstatement)**.

72.3.2 Wherever possible, the insurances referred to in **clause 72.1 (Obligation to Maintain)** shall, where specified in **Schedule 7 (Required Insurances)**, name the Authority as a co-insured for its separate interest.

72.4 **Evidence of Policies**

The Contractor shall provide to the Authority:

72.4.1 copies on request of all insurance policies referred to in **clause 72.1 (Obligation to Maintain)** (together with any other information reasonably requested by the Authority relating to such insurance policies) and the Authority shall be entitled to inspect them during ordinary business hours;

72.4.2 evidence that the premiums payable under all insurance policies have been paid and that the insurances are in full force and effect in accordance with the requirements of this **clause 72 (Insurance)** and **Schedule 7 (Required Insurances)**; and

72.4.3 on or before the date of expiry of any insurance required by **clause 72.1 (Obligation to Maintain)**, satisfactory evidence that the relevant insurance has been or is being renewed.

72.5 **Renewal Certificates**

Renewal certificates in relation to any of the insurances required by **clause 72.1 (Obligation to Maintain)** shall be obtained as and when necessary and copies (certified in a manner acceptable to the Authority) shall be forwarded to the Authority as soon as possible but in any event on or before the renewal date.

72.6 **Breach**

If the Contractor is in breach of **clause 72.1 (Obligation to Maintain)**, the Authority may pay any premiums, fees, broker's costs or other expenses required to keep such insurance in force or itself procure such insurance and may, in either case, recover such amounts from the Contractor on written demand.

72.7 **Notification of Claims**

The Contractor shall give the Authority notification within ten (10) Business Days after any claim in excess of **XXX (XXX)** (Indexed) on any of the Required Insurances

or which, but for the application of the applicable policy excess, would be made on any of the Required Insurances accompanied by full details of the incident giving rise to the claim.

72.8 Limit of Liability

Neither failure to comply nor full compliance with the insurance provisions of this Contract shall limit or relieve the Contractor of its other liabilities and obligations under this Contract.

72.9 Premiums

Premiums for the Required Insurances and the amount of any loss that would otherwise be recoverable under any of the Required Insurances but for the applicable uninsured deductible and limit of indemnity in respect of such insurance shall, at all times, be the responsibility of the Contractor.

72.10 Authority Approval

The Required Insurances shall be effected with insurers approved by the Authority, such approval not to be unreasonably withheld or delayed.

72.11 Claims

The Contractor shall, where it is obliged to effect insurance under this **clause 72 (Insurance)**, not bring any claim or action against the Authority or any Authority Related Party in respect of any loss or damage in circumstances where the Contractor is able to recover such loss or damage under such insurance (or where it would have been able to recover such loss had it been complying with its obligations under this Contract), provided that this **clause 72.11 (Claims)** shall not by itself prevent the Contractor from claiming against the Authority or any Authority Related Party for any loss or damage not covered because of the level of deductibles under such insurance permitted by this Contract or to the extent such loss or damage exceeds the maximum level of such insurance required by this Contract.

72.12 Broker's Letter of Undertaking

72.12.1 On the date of this Contract and within twenty (20) Business Days following each renewal of Required Insurances, the Contractor shall deliver to the Authority a broker's letter of undertaking signed by the insurance broker to the Contractor in the form set out in Part 3 of **Schedule 7 (Required Insurances)**.

72.12.2 The Contractor shall procure that any broker(s) appointed during the term

of this Contract shall:

72.12.2.1 owe the Authority such obligations and give to the Authority such warranties as are substantially the same as those set out in Part 3 of **Schedule 7 (Required Insurances)** and in **clauses 72.1 (Obligation to Maintain)** to **72.11 (Claims)** (inclusive); and

72.12.2.2 enter into an agreement in substantially the same form as that set out in Part 3 of **Schedule 7 (Required Insurances)**.

72.13 Reinstatement

72.13.1 All insurance proceeds received under the policy referred to in paragraph 1 of Part 1 and of **Schedule 7 (Required Insurances)** (the “Physical Damage Policies”) shall be applied to repair, reinstate or replace each part or parts of the Assets in respect of which such proceeds were received.

72.13.2 The Contractor shall set up and at all times maintain an account in the joint names of the Authority and the Contractor (the “Joint Insurance Account”). All insurance proceeds paid under any Physical Damage Policy in respect of a single event (or a series of related events) in an amount in excess of **XXX (XXX)** shall be paid into the Joint Insurance Account.

72.13.3 Where a claim is made or proceeds of insurance are received or are receivable under any Physical Damage Policy in respect of a single event (or a series of related events) (the “Relevant Incident”) in an amount in excess of **XXX (XXX)**:

72.13.3.1 the Contractor shall deliver to the Authority as soon as practicable and in any event within twenty (20) Business Days after the making of the claim a plan prepared by the Contractor for the carrying out of the works necessary (the “Reinstatement Works”) to repair, reinstate or replace (the “Reinstatement Plan”) the assets which are the subject of the relevant claim or claims in accordance with **clause 72.13.4 (Reinstatement)**. The Reinstatement Plan shall set out:

(a) the identity of the person proposed to effect the Reinstatement Works, which shall be subject to the prior written approval of the Authority (such approval not to be unreasonably withheld or delayed); and

- (b) the proposed terms and timetable upon which the Reinstatement Works are to be effected (including the date that the Prison will become fully operational), the final terms of which shall be subject to the prior written approval of the Authority (such approval not to be unreasonably withheld or delayed);
- 72.13.3.2 provided that the Authority is satisfied that the Reinstatement Plan will enable the Contractor to comply with **clause 72.13.4 (Reinstatement)** within a reasonable timescale:
- (a) the Reinstatement Plan will be adopted;
- (b) the Contractor shall enter into contractual arrangements to effect the Reinstatement Works with the person identified in the Reinstatement Plan approved by the Authority;
- (c) before the earlier to occur of the Termination Date or the Expiry Date, any amounts standing to the credit of the Joint Insurance Account (the "Relevant Proceeds") (together with any interest accrued) may be withdrawn by the Contractor from the Joint Insurance Account as required to enable it to make payments in accordance with the terms of the contractual arrangements referred to in **clause 72.13.3.2(b) (Reinstatement)**, and to meet any other reasonable costs and expenses of the Contractor for the sole purposes of funding the Reinstatement Works and the Parties shall operate the signatory requirements of the Joint Insurance Account in order to give effect to such payments. Following the earlier to occur of the Termination Date and the Expiry Date, the Authority may withdraw amounts standing to the credit of the Joint Insurance Account for the purposes of funding any Reinstatement Works;
- (d) the Authority agrees and undertakes that, subject to compliance by the Contractor with its obligations under this **clause 72.13 (Reinstatement)**, and provided that the Contractor procures that the Reinstatement Works are carried out and completed in accordance with the contractual arrangements referred to in **clause 72.13.3.2(b) (Reinstatement)**, it shall not exercise any right which it might otherwise have to terminate this Contract by virtue of the

event which gave rise to the claim for the Relevant Proceeds;

- (e) the Authority undertakes to use reasonable endeavours to assist the Contractor in the carrying out of the Reinstatement Plan;
- (f) after the Reinstatement Plan has been implemented to the reasonable satisfaction of the Authority and in accordance with **clause 72.13.4 (Reinstatement)**, the Authority shall permit withdrawal by the Contractor of any Relevant Proceeds then held in the Joint Insurance Account that have not been paid under **clause 72.13.3.2(c) (Reinstatement)**, in respect of the Relevant Incident, together with any interest accrued; and
- (g) subject to **clause 70 (Indemnities and Liabilities)**, the Contractor shall be solely responsible for the payment of any deficiency.

72.13.4 Where insurance proceeds are to be used in accordance with this Contract to repair, reinstate or replace any part of the Prison, the Contractor shall carry out the work in accordance with the Authority's Requirements, the Contractor's Proposals, the Operating Procedures and the Initial Service Delivery Documents or the Service Delivery Documents (as relevant) so that on completion of the work, the provisions of this Contract are complied with.

72.14 Uninsurable Risks

72.14.1 Nothing in this **clause 72 (Insurance)** shall oblige the Contractor to take out insurance in respect of a risk which is Uninsurable save where the predominant cause of the risk being Uninsurable is any act(s) or omission(s) of the Contractor or a Contractor Related Party.

72.14.2 If a risk usually covered by property damage, third party liability or statutory insurances in each case required under this Contract becomes Uninsurable then:

- 72.14.2.1 the Contractor shall notify the Authority of any risk becoming Uninsurable within five (5) Business Days of becoming aware of the same and in any event at least five (5) Business Days before expiry or cancellation of any existing insurance in respect of that risk; and

72.14.2.2 if both Parties agree, or it is determined in accordance with the Dispute Resolution Procedure, that the risk is Uninsurable and that:

(a) the risk being Uninsurable is not caused by the actions, breaches, omissions or defaults of the Contractor or a sub-contractor; and

(b) the Contractor has demonstrated to the Authority that the Contractor and a prudent board of directors of a company operating the same or substantially similar businesses in the United Kingdom to that operated by the Contractor would in similar circumstances (in the absence of the type of relief envisaged by this **clause 72.14 (Uninsurable Risks)**) be acting reasonably and in the best interests of the company if they resolved to cease to operate such businesses as a result of that risk becoming Uninsurable, taking into account inter alia (and without limitation) the likelihood of the Uninsurable risk occurring (if it has not already occurred), the financial consequences for such company if such Uninsurable risk did occur (or has occurred) and other mitigants against such consequences which may be available to such company,

then the Parties shall meet to discuss the means by which the risk should be managed or shared (including considering the issue of self-insurance by either Party).

72.14.3 If the requirements of **clause 72.14.2 (Uninsurable Risks)** are satisfied, but the Parties cannot agree as to how to manage or share the risk, then:

72.14.3.1 in respect of such third party liability insurance only the Authority shall (at the Authority's option) either pay to the Contractor an amount equal to the amount calculated in accordance with **clause 50.2 (Compensation on Termination on Force Majeure)** and this Contract will terminate or elect to allow this Contract to continue and **clause 72.14.3.2 (Uninsurable Risks)** shall thereafter apply in respect of such risk;

72.14.3.2 in respect of such property damage insurance, third party liability insurance (if the Authority elects to allow this Contract to continue in accordance with **clause 72.14.3.1**

(Uninsurable Risks)) or statutory insurances this Contract shall continue and on the occurrence of the risk (but only for as long as such risk remains Uninsurable) the Authority shall (at the Authority's option) either pay to the Contractor an amount equal to the insurance proceeds that would have been payable had the relevant insurance continued to be available and this Contract shall continue, or an amount equal to the amount calculated in accordance with **clause 50.2 (Compensation on Termination on Force Majeure)** plus (in relation to third party liability insurance only) the amount of insurance proceeds that would have been payable whereupon the Contract will terminate;

72.14.3.3 where pursuant to **clauses 72.14.3.1 (Uninsurable Risks)** and/or **72.14.3.2 (Uninsurable Risks)** this Contract continues, then the Contract Price shall be reduced in each Contract Year for which the relevant insurance is not maintained by an amount equal to the premium paid (or which would have been paid) by the Contractor in respect of the relevant risk in the Contract Year prior to it becoming Uninsurable (Indexed from the date that the risk becomes Uninsurable). Where the risk is Uninsurable for part of a Contract Year only the reduction in the Contract Price shall be pro rated to the number of Months for which the risk was Uninsurable; and

72.14.3.4 where pursuant to **clauses 72.14.3.1 (Uninsurable Risks)** and/or **72.14.3.2 (Uninsurable Risks)** this Contract continues, the Contractor shall approach the insurance market at least every four (4) Months to establish whether the risk remains Uninsurable. As soon as the Contractor is aware that the risk is no longer Uninsurable, the Contractor shall take out and maintain or procure the taking out and maintenance of insurance (to be incepted as soon as is reasonably practicable) for such risk in accordance with this Contract;

72.14.3.5 in respect of any period between the Authority receiving notification in accordance with **clause 72.14.2.1 (Uninsurable Risks)** that a TPL Risk has become Uninsurable and the Authority's notification to the Contractor

in accordance with **clause 72.14.3 (Uninsurable Risks)** in respect of such risk then, provided it is ultimately agreed or determined that the requirements of **clause 72.14.2.2 (Uninsurable Risks)** are satisfied in respect of the Uninsurable TPL Risk and subject to **clause 72.14.3.6 (Uninsurable Risks)**, **clause 72.14.3.2 (Uninsurable Risks)** shall apply in respect of occurrences of the Uninsurable TPL Risk during such period unless the Parties otherwise agree how to manage the risk during this period; and

72.14.3.6 **clause 72.14.3.5 (Uninsurable Risks)**, shall only apply provided the Contractor does not unreasonably materially delay:

- (a) agreement and/or determination in accordance with the Dispute Resolution Procedure as to whether the requirements of **clause 72.14.2.2 (Uninsurable Risks)** are satisfied in respect of the Uninsurable TPL Risk; and/or
- (b) meeting the Authority to discuss the means by which the risk should be managed.

72.14.4 If, pursuant to **clause 72.14.3.2 (Uninsurable Risks)**, the Authority elects to make payment to the Contractor (such that this Contract will terminate) (the "Relevant Payment"), the Contractor shall have the option (exercisable within twenty (20) Business Days after the date of such election by the Authority (the "Option Period")) to pay to the Authority on or before the end of the Option Period, an amount equal to the insurance proceeds that would have been payable had the relevant risk not become Uninsurable, in which case this Contract will continue (and the Relevant Payment will not be made by the Authority), and the Contractor's payment shall be applied for the same purpose and in the same manner as insurance proceeds would have been applied had the relevant risk not become Uninsurable.

72.15 Increase in Insured Amounts

72.15.1 The limit of indemnity for the Required Insurances specified in paragraphs 2 and 3 of Part 1 of **Schedule 7 (Required Insurances)** and the maximum deductibles for each of the Required Insurances in Part 1 of **Schedule 7 (Required Insurances)** shall be Indexed.

72.15.2 The limits of indemnity and maximum deductibles shall only be increased:

72.15.2.1 on a renewal date; and

72.15.2.2 where the limit of indemnity or maximum deductible that is Indexed becomes equal to or exceeds the next whole insurable amount or next deductible level (as the case may be) available in the insurance market from time to time.

72.16 Insurance Renewal

72.16.1 If, upon the renewal of any insurance which the Contractor is required to maintain or to procure the maintenance of pursuant to this Contract:

72.16.1.1 any Insurance Term is not available to the Contractor in the worldwide insurance market with reputable insurers of good standing; and/or

72.16.1.2 the insurance premium payable for insurance incorporating such Insurance Term is such that the Insurance Term is not generally being incorporated in insurance procured in the worldwide insurance market with reputable insurers of good standing by contractors in the United Kingdom,

(other than, in each case, by reason of one or more actions of the Contractor and/or any sub-contractor) then **clause 72.16.2 (Insurance Renewal)** shall apply.

72.16.2 If it is agreed or determined that **clause 72.16.1 (Insurance Renewal)** applies, then the Authority shall waive the Contractor's obligations in **clause 72.1 (Obligation to Maintain)** to **72.9 (Premiums)** and/or **Schedule 7 (Required Insurances)** in respect of that particular Insurance Term and the Contractor shall not be considered in breach of its obligations regarding the maintenance of insurance pursuant to this Contract as a result of the failure to maintain insurance incorporating such Insurance Term for so long as the relevant circumstances described in **clause 72.16.1 (Insurance Renewal)** continue to apply to such Insurance Term.

72.16.3 To the extent that the Parties agree (acting reasonably), or it is determined pursuant to the Dispute Resolution Procedure, that an alternative or replacement term and/or condition of insurance is available to the Contractor in the worldwide insurance market with reputable insurers of good standing which if included in the relevant insurance policy would fully or partially address the Contractor's inability to maintain or procure the

maintenance of insurance with the relevant Insurance Term, at a cost which contractors in the UK are (at such time) generally prepared to pay, the Contractor shall maintain or procure the maintenance of insurance including such alternative or replacement term and/or condition.

72.16.4 The Contractor shall notify the Authority as soon as reasonably practicable and in any event within five (5) Business Days after becoming aware that **clauses 72.16.1.1 (Insurance Renewal)** and/or **72.16.1.2 (Insurance Renewal)** are likely to apply or (on expiry of the relevant insurance then in place) do apply in respect of an Insurance Term (irrespective of the reason for such **clauses 72.16.1.1 (Insurance Renewal)** and/or **72.16.1.2 (Insurance Renewal)** being so likely to apply or applying). The Contractor shall provide the Authority with such information as the Authority reasonably requests regarding the unavailability of the Insurance Term and the Parties shall meet to discuss the means by which such unavailability should be managed as soon as is reasonably practicable.

72.16.5 In the event that **clauses 72.16.1.1 (Insurance Renewal)** and/or **72.16.1.2 (Insurance Renewal)** apply in respect of an Insurance Term (irrespective of the reasons for such **clauses 72.16.1.1 (Insurance Renewal)** and/or **72.16.1.2 (Insurance Renewal)** being so likely to apply or applying), the Contractor shall approach the insurance market at least every four (4) Months to establish whether **clauses 72.16.1.1 (Insurance Renewal)** and/or **72.16.1.2 (Insurance Renewal)** remain applicable to the Insurance Term. As soon as the Contractor is aware that **clauses 72.16.1.1 (Insurance Renewal)** and/or **72.16.1.2 (Insurance Renewal)** have ceased to apply to the Insurance Term, the Contractor shall take out and maintain, or procure the taking out and maintenance of, insurance (to be incepted as soon as is reasonably practicable) incorporating such Insurance Term in accordance with this Contract.

72.17 **Riot (Damages) Act 1886**

72.17.1 The Contractor shall not, and undertakes to procure that no:

72.17.1.1 Commercial Insurer;

72.17.1.2 Commercial Insurer's successors or permitted assignees; or

72.17.1.3 other person claiming by or through a Commercial Insurer,

shall bring any claim under the Riot (Damages) Act 1886 in respect of any damage to the Prison. This undertaking shall be for the benefit of any

Police Authority in the United Kingdom and the statutory successors of any such Police Authority, each of which may enforce the terms of this clause against the Contractor and/or its successors and permitted assignees (as appropriate).

72.17.2 For the purposes of this **clause 72.17 (Riot (Damages) Act 1886)**:

72.17.2.1 "Police Authority" shall have the meaning ascribed to it in section 101 of the Police Act 1996 as amended; and

72.17.2.2 "Commercial Insurer" shall mean a person providing commercial insurance in respect of the Prison.

72.17.3 **Clause 72.17 (Riot (Damages) Act 1886)** shall be binding upon the Contractor and each of its successors and permitted assignees.

73. **LIABILITY FOR LOSS AND DAMAGE**

73.1 **Responsibility for Damage**

Without prejudice to the provisions of **clause 27.1.7 (Rights of Access and Inspection)** and to the obligations of the Contractor to repair, maintain and replace the Prison and subject to **clause 73.5 (Minor Damage)**, as between the Authority and the Contractor:

73.1.1 the Authority will only have any responsibility for the cost of damage to the Prison to the extent that:

73.1.1.1 the Contractor is able to prove to the Authority's satisfaction (acting reasonably) that the damage was caused or contributed to by:

(a) the wilful misconduct or negligence of an Authority Related Party; or

(b) the Contractor acting on the written instruction of the Authority, provided that the Contractor has implemented that instruction in a manner which is not negligent and is in accordance with Good Industry Practice;

73.1.1.2 such damage:

(a) does not constitute fair wear and tear; and
