16 July 2014

Dear John,

My Department has recently published a document that summarises the existing regulations, guidance and redress covering personal data.[1] This work forms part of the conclusions of the consumer and trust work stream set up as part of the midata voluntary programme. I would like to request that a copy of this report is placed in the House of Commons library.

I have written is similar terms to Dr Elizabeth Hallam-Smith.

Jo Swinson

JO SWINSON MP
