LIBRARY DEPOSIT: Regulatory Impact Assessment: Further flexibilities between use classes

Town and Country Planning (Fees for Applications, Deemed Applications, Requests and Site Visits) (England) (Amendment) (No.2) Regulations 2014 No. 2026

The Department for Communities and Local Government laid the Draft Town and Country Planning (Fees for Applications, Deemed Applications, Requests and Site Visits) (England) (Amendment) (No.2) Regulations 2014 on 16 July 2014, together with an Explanatory Memorandum and the regulatory impact assessment: *Further flexibilities between use classes to support change of use*. The Regulations came into force on 31 July 2014.

The Explanatory Note to the Regulations indicates that a copy of the impact assessment would be available in the Library of each House of Parliament. I am writing now to request that the validated regulatory impact assessment: *Further flexibilities between use classes to support change of use* is deposited in the Library of the House. A copy of the impact assessment has already been supplied to Deposited Papers.
