## **ENTERPRISE BILL**

Dear Janet,

I am grateful to the Delegated Powers and Regulatory Reform Committee for its report (9<sup>th</sup> Report of Session 2015-16) on the Enterprise Bill.

The Committee's report made recommendations on three Parts of the Bill, and the Government has now tabled amendments to give effect, in full or in part, to two of these recommendations. The attached response sets out the Government's reasoning for not implementing the Committee's recommendation in respect of clause 27 of the Bill.

I hope that the Committee and the House as a whole find this response useful in their further consideration of the Enterprise Bill and I would like to thank the Committee again for its work.

I am copying this letter to Lord Mendelsohn and Lord Stevenson and shall place a copy of this letter, together with the Government response, in the Libraries of both Houses.

**BARONESS NEVILLE-ROLFE DBE CMG**
