Dear Deposited Papers Clerks,

I attach a copy of the Indicative Regulations for Part Two of the Children and Social Work Bill and a policy statement.

The Children and Social Work Bill Part 2 seeks to improve the regulation of social workers in England. This is a joint statement by the Department for Health and the Department for Education that sets out the underlying policy behind this part of the Bill and provides an explanation of the Bill's provisions and accompanying indicative regulations. I would like to place these two documents in the Libraries of both Houses.

Yours sincerely,

JOHN NASH
