Dear Sir or Madam

UKGI AND UKFI FRAMEWORK DOCUMENTS

On Friday 1 April UK Government Investments became a new company wholly owned by HM Treasury. It will be the UK government's centre of excellence in corporate finance and corporate governance, and brings together the Shareholder Executive from BIS and UK Financial Investments.

For the information of Parliament, I enclose a copy of the framework documents for UK Government Investments and UK Financial Investments. I would be most grateful if you could ensure these documents are deposited in the Libraries of both Houses.

A handwritten signature in black ink, reading 'H Harriett Baldwin'.
