Source: Early Years Census (EYC), School Census (SC), and School Level Annual School Census (SLASC)

Notes:

- (1) This is calculated by subtracting the number of eligible 2 year old children benefitting from funded early education from the estimated eligible 2 year old population.
 (2) The estimated number of eligible children is derived from data supplied to the Department for Education by the Department for Work and Pensions in January 2016 on the number of children believed to meet the benefit and tax credit eligibility criteria. It represents the best data available on the number of eligible children in each local authority area.

x Value suppressed to protect confidentiality, there may be secondary suppression.
 Regional totals are rounded to the nearest 10. Eligible population data is rounded to the nearest 100.
