Dear Mr. Chishti,

PARLIAMENTARY QUESTION NUMBER 114898:

To ask the Secretary of State for Education, what plans Ofsted has to update its training and guidance on effective implementation of 'Supporting pupils with medical conditions at school'.

Your recent Parliamentary Question has been passed to me, as Her Majesty's Chief Inspector, for response.

All inspector training is regularly reviewed and updated as necessary. We currently have no specific plans to change current training on this piece of DfE guidance.

I hope you find the information helpful.

Yours sincerely

Amanda Spielman
