Dear Lord Collins,

7 February 2018

During Oral Questions on Thursday 1 February, on the United Nations Sustainable Development Goals, I stated that we were among the first to sign up to them. I would like to clarify that the UK was at the forefront of negotiating the Goals, before they were agreed simultaneously by world leaders at the UN General Assembly in September 2015.

I hope you find this letter helpful. I will also send a copy to Lord McConnell and will place a copy in the Library of the House.

Yours ever

*Stedman-Scott*
