6 March 2018

Dear Lord Boswell,

I would like to draw to your Committee's attention to the technical note that will be published today setting out the Government's proposed approach to agreeing "Other Separation Issues" as part of securing an orderly withdrawal from the European Union.

I will write in similar terms to the Chairs of the Exiting the European Union Committee and the European Scrutiny Committee.

I am placing a copy of the note and this letter in the library of the House.
