Deposited Papers Clerk,

**Proposed benefit and pension rates 2018/2019**

Please place a copy of proposed benefit and pension rates 2018/2019 in the House libraries.

The original table of benefit and pensions rates (deposit 2017/0739) accompanied a written statement made by the previous Minister for Family Support, Housing and Child Maintenance, Caroline Dinenage, in the House of Commons on Monday 27 November 2017. This revised table of benefit and pensions rates includes the up-rated Universal Credit work allowances set out in The Universal Credit (Miscellaneous Amendments, Saving and Transitional Provision) Regulations 2018 laid before Parliament on 22 January 2018.

Yours sincerely

Kit Malthouse MP

Minister for Family Support, Housing and Child Maintenance
