Dear Yvette,

I am pleased to announce that the Independent Inquiry into Child Sexual Abuse has today published its second regular report, which can be found at www.iicsa.org.uk.

This report relates to its investigation into Cambridge House Boys' Hostel, Knowl View School, and other institutions where placement was arranged or provided by Rochdale Borough Council.

Across Government, we will make sure the report is given careful and proper consideration. Meanwhile I would like to thank Professor Jay and her Panel for their continued work to uncover the truth, expose what went wrong in the past and to learn the lessons for the future.

The Inquiry is rightly independent from government. It is for the Inquiry to decide when to publish its reports. As this report is being published during Parliamentary recess, I will arrange for a copy of this letter to be placed in the Library of the House to ensure that Parliament is informed.
