Dear Jonathan,

Further to my answer to Question 137526, I enclose correspondence between my Office and the Welsh Government relating to the renaming of the Second Severn Crossing.

My Office is continuing to collate correspondence relating to the other organisations you asked about, and my officials will write to you when this work is completed.

I am placing copies of the enclosed correspondence in the Libraries of both Houses.

Yours,

**Rt Hon Alun Cairns MP**  
Secretary of State for Wales
