SECOND SEVERN CROSSING

Earlier this year, I wrote outlining my plans to rename the 'Second Severn Crossing' as the 'Prince of Wales Bridge', in honour of the significant contribution that the Prince of Wales has made to our nation.

Following our informal discussion, when you expressed your support, we have been working with Palace officials on the details. Before we can take the next step, the Palace has asked for clarity that the Welsh Government supports this initiative. Your office was kind enough to signal that you had seen my earlier letter. However, I am now in a position where I need to be able to let the Palace have a clear steer. I do hope you will feel able to write back in supportive terms.
