Dear Hilary,

I would like to draw to your attention the following documents that the Government is publishing today, produced by the UK negotiating team for discussion with the EU:

- *Framework for the UK-EU partnership: financial services*
- *Framework for the UK-EU partnership: open and fair competition*

I attach a copy of the documents which I will place in the libraries of both Houses along with a copy of this letter. The documents will also be available on GOV.UK.
