

Radio script – version 1
Female voiceover
Focus– stepping stone / coach / 16 hours

Universal Credit is opening up work for thousands of people across the country.

It provides support for people out of work or who start on a low income, and comes with your own work coach to provide help and advice.

Universal Credit can top up your wages, and payments won't stop just because you work more than 16 hours.

So it can open up lots more job opportunities... and makes temporary or part time work a great place to start.

Universal Credit.
