Dear Yvette,

I am writing further to my letters of 21 June and 9 October regarding the review of applications by Tier 1 (General) migrants refused under paragraph 322(5) of the Immigration Rules.

The review has now been completed and I enclose a copy of the final report for your reference. I also enclose a copy of the guidance used by decision makers, which is referred to in the report.

Given the wider interest there has been in this review, I am today issuing a Written Ministerial Statement and placing a copy of this letter, the report and guidance in the House Library. The Home Office is also publishing the report and guidance on the gov.uk website.

*Yours ever
Caroline*
