FROM THE BARONESS GOLDIE
GOVERNMENT WHIP FOR DEXEU, FCO AND MOD
020-7219 6802

31 January 2019

Dear Lord Houghton,

During questions yesterday, you commented on the opacity of some of the language in the report to the common reader and layers of bureaucracy.

I mentioned in my response that I had obtained from the Department a diagram showing who is doing what, who is responsible to whom and where they rest in the chain of command. I have pleasure in enclosing a copy of the diagram which I hope will provide you with greater clarity of those involved with Fire Safety management within the Ministry of Defence and their interrelationships.

I hope you find this letter helpful. I will also place a copy in the House library.

Yours sincerely,
Annabel Se. Goldie
