Dear Ms Rayner

**Re: Parliamentary Question 226125 on how many and what proportion of staff at the Institute for Apprenticeships and Technical Education are apprentices.**

The Department for Education has requested that I respond to you directly on behalf of the Institute regarding your Parliamentary Question 226125.

I am pleased to confirm that:

- three members of staff have completed their apprenticeships in Level 4 Business Administration and Level 3 Social Media & Digital Marketing;
- another four members of staff are currently completing their apprenticeships, and;
- a further four apprentices are in the process of being appointed.

This financial year our workforce has grown from 89 FTE to 144 FTE. The current proportion of apprentices is 2.8%.

I hope you find this information helpful.

Yours sincerely

**Sir Gerry Berragan**  
Chief Executive Officer  
Institute for Apprenticeships and Technical Education
