Dear Mr McCabe,

As National Statistician and Chief Executive of the UK Statistics Authority, I am replying to your Parliamentary Question asking, pursuant to the answer dated 18 February 2019 to Question 220061, if the figures based on the Crime Survey for England and Wales for the number of reported offences for each crime type in each year since 2009 will be published (**231893**).

Statisticians at the Office for National Statistics are currently undertaking some additional analysis to answer your question and will place a copy in the House of Commons Library as soon as it is complete.

Yours sincerely,

John Pullinger
