Dear Tony,

Connecting Europe Facility (Revocation) (EU Exit) Regulations 2019 debate

During our recent debate on the Connecting Europe Facility (Revocation) (EU Exit) Regulations 2019 I promised to write to you with a list of transport projects that are still receiving or are due to receive funding from the Connecting Europe Facility. The attached list provides this information.

The list includes some projects that have a completion date which has already passed. This is because, whilst these projects have completed all project activity, they have not yet completed the Final Payment process with the EU. The Final Payment is based on actual costs incurred by projects and the process can take up to 15 months (and sometimes longer) to conclude. In the event that we leave the EU without a Withdrawal Agreement, the Department will use the HMG guarantee to ensure UK entities receive funds they are due.

I will be placing a copy of this letter in the libraries of both Houses.

Yours,

Charlotte

BARONESS VERE OF NORBITON
