Dear Deposited Papers Clerk,

Universal Credit Programme Board papers

Please place a copy of the following Universal Credit Programme Board Papers in the House libraries, along with this covering letter.

The papers from the April 2017 Universal Credit Programme Board have not been published previously and are being deposited as part of the Universal Credit Routine Programme Board papers publication strategy.

Following an Information Commissioners Office decision notice, we are also depositing the Universal Credit Programme Board papers for May 2017, June 2017 and July 2017. These papers were originally deposited on 1 November 2018 in response to a Freedom of Information request. The deposit reference is DEP 2018 – 1083.

The Information Commissioners Office require the Department for Work and Pensions to release the information redacted, under sections 43 (commercial interests) and 35 (formulation of government policy) of the Freedom of Information Act.

We therefore are depositing the relevant documents without the section 35 and section 43 redactions as part of this Programme Board papers deposit.
