

Angela Rayner MP  
House of Commons  
London  
SW1A 0AA

11 February 2020

Dear Ms Rayner

**Re: Parliamentary Question 9750 to ask the Secretary of State for Education, what proportion of staff working at the Institute for Apprenticeships and Technical Education are apprentices.**

The Department for Education has requested that I respond to you directly on behalf of the Institute regarding your Parliamentary Question 9750.

I am pleased to confirm that the number of FTE staff currently working at the Institute is 165.3. During this financial year three apprentices successfully completed their apprenticeship at the Institute. The proportion of staff who are currently undertaking an apprenticeship is 2.4%.

I hope you find this information helpful.

Yours sincerely

**Jennifer Coupland**  
Chief Executive Officer  
Institute for Apprenticeships and Technical Education
