Dear Ms Fellows,

I am writing further to your recent questions to the Secretary of State for Business, Energy and Industrial Strategy (BEIS). As your questions relate to operational matters for the Post Office, I have been asked to reply. The questions and responses are set out below.

When will the Fujitsu's contract to provide Post Office Ltd's IT Horizon system be up for renewal; and whether that contract contains an option to terminate before the scheduled renewal or end date. (69607)

The Horizon IT contract with Fujitsu expires 31st March 2023. The contract does contain early termination of services options.

Whether the contract to supply Post Office Ltd's IT Horizon system be (a) put out for tender or (b) renegotiated with Fujitsu at the end of the current contract. (69608)

The Horizon IT contract with Fujitsu expires on 31st March 2023. Post Office Limited are bound by Public Contracts Regulations (PCR) and intends to undertake a compliant market procurement exercise.

I trust this information is useful.

Yours sincerely,
