Dear Bell,

I would like to make you aware that I have asked Hansard to correct their transcription of my answer to your question during my statement entitled 'Commission on Race and Ethnic Disparities' on Tuesday 20 April 2021.

When explaining figures pertaining to maternal mortality, I said that "we often represent the numbers in terms of numbers per a 100,000" (col 882). This was incorrectly recorded by Hansard as "per 800,000".

I am placing a copy of this letter in the House of Commons Library.

Yours sincerely,

Kemi Badenoch MP

Minister for Equalities
