Written submission from Mr Mervyn Massey (ANI0020)

I wish to state that I am against the introduction of abortion in N. Ireland for the following reasons:

(1) I am concerned that this denies the human rights of the unborn child. As a Christian I believe that from the moment of conception we have a fundamentals of human life, and that child should have the right to live.
(2) If Westminster is not prepared to introduce Direct Rule to provide for the necessities in our Provence, then they cannot ignore the will of the elected representatives. These representatives made their position clear in February 2016, and they opposed such an introduction.
