The church is located in Northern Ireland. The congregation is unanimous in its opinion that the law as it stands must NOT be changed. The unborn are the most vulnerable in our society. Abortion makes a mockery of the most basic human right, the right to life. In 2016, 98% of abortions in Great Britain were carried out for social reasons, a shocking statistic, which we don’t want to see repeated in Northern Ireland. Therefore, abortion law must remain as it is.
