Please note the reason for this letter is I wish to respond to the women and equalities committee. To state very clearly that my whole family circle as well as myself want to uphold the pro-life laws we have in Northern Ireland.

As someone who has lived all my life in Northern Ireland, Westminster should not undermine the will of our elected representatives which was last made clear in February 2016

Abortion fundamentally undermines human rights above all the right to life of the unborn. I think everyone should remember that one of the laws of Almighty God to his people was "THOU SHALL NOT KILL".
