Written submission from Mrs C Heather Lyons (ANI0355)

As a citizen of N Ireland and a Christian I believe that all life is sacred and of value. In my opinion Northern Ireland’s laws should be respected and Westminster should not set out to bypass the will of our elected representatives as made clear in February 2016. An estimated 100,000 lives have been saved because of our laws regarding abortion. Almost 9 million babies have been aborted in the UK since the 1967 Abortion Act came into force which is a devastating loss of life. I believe that abortion undermines human rights – above all the right to life of the most vulnerable in our society.
