1) DEVOLUTION
The people of Northern Ireland should be able to decide for themselves on this issue. We do not need the UK government to be intervening.

2) DISTINCTIVE LAW AND CULTURE
There is absolutely nothing wrong with the law as it stands. We do not discriminate against anyone. It is there to protect life.

3) HUMAN RIGHTS & EQUALITY
It is not a human right to be able to kill a defenceless unborn baby. People are using equality for women as an excuse to change the law. I am a woman and I’m absolutely against this. Abortion is murder of the most defenceless in society.
