1) DEVOLUTION
It would be a downright shame if 'MP's' from other regions of the UK interfered, in the devolved matters of the 'Northern Ireland Assembly' when it gets back up and running again, and let the local peoples representatives resolve the issues affecting our 'Province.' We most definitely do not need the 'Stella Creasies' from England and the other regions of the 'United Kingdom, telling us what we should, or should not do, in our own devolved area. (Shame on Creasy and her Co-horts.) The United Kingdom was supposed to be a 'Christian Nation' and the people of Northern Ireland, would still appear to be the only region of the United Kingdom, that still upholds to the 'Biblical Truths' in 'The Holy Bible.' Ms Creasy and her cronies, may not like what 'The Bible' has to say to us in our daily living, but I can assure her, quite a substantial percentage of the people in Northern Ireland do.
