1) DEVOLUTION
The people of Northern Ireland should be given the chance to decide on this matter.

2) DISTINCTIVE LAW AND CULTURE

3) HUMAN RIGHTS & EQUALITY

4) PERSONAL STORIES
As a midwife I cannot see abortion as anything other than MURDER of a defenceless baby.
A foetus is a human being from the moment of conception and therefore has a right to life as much as anyone else.
I ask, why do we spend so much money on child care as in pre school clubs and social workers, if the life of the child only matters when that child is the result of ‘planned parenthood’?
