1) DEVOLUTION
100 percent agree with devolution meaning devolution.

2) DISTINCTIVE LAW AND CULTURE
As a GP I saw the after effects of abortion which are hidden from sight as women struggle with the consequences of the decisions they made in terminating the life of their unborn child.

3) HUMAN RIGHTS & EQUALITY
Rights alone do not make for a healthy community. Responsibility makes for a caring and safe community.

4) PERSONAL STORIES
