1) DEVOLUTION
I appreciate that stormont is not functioning at present. But it is essential that such important subjects be handled by elected representatives.

2) DISTINCTIVE LAW AND CULTURE
I strongly believe that the law in N. I. provides for both the mum and child adequately, and there is no need for a change.

3) HUMAN RIGHTS & EQUALITY
When does life begin? Surely it is at conception. Does this living being have no right to life? Is it disposable?

4) PERSONAL STORIES
When our first born was nearly due. There was concerns about contact with "German measles" and discussion regarding possible consequences. However sensible advice prevailed. Every life is different, let's celebrate each one
