Written submission from Cherith Edgar (ANI0560)

1) DEVOLUTION
Regardless of the fact that the NI Assembly is temporarily suspended, it is constitutionally inappropriate and totally unacceptable to interfere in relation to such a sensitive moral and life threatening subject.

2) DISTINCTIVE LAW AND CULTURE
I am thankful that I live in a country that does not discriminate against a person with a disability in or out of the womb.

3) HUMAN RIGHTS & EQUALITY
Human rights should be considered equal for all life whether in or out of the womb. The rights of the woman should not supersede the rights of the unborn child. The right to life should commence from the moment of conception- abortion is the wilful killing of a vulnerable human life - this is abhorrent. We need to protect the most vulnerable not make it lawful to slaughter them.

4) PERSONAL STORIES
Every life is precious.
