1) DEVOLUTION
The fate of OUR young lives should not lie in the hands of Westminster. Continue to make abortion a devolved matter.

2) DISTINCTIVE LAW AND CULTURE
With research showing that 1 in 17 people in Northern Ireland would not be hear if it wasn’t for our laws on abortion. Our culture is one that promotes life, not destroys it. Let that remain.

3) HUMAN RIGHTS & EQUALITY
The misguided belief that life inside the womb is valueless is a terrible mistake. Northern Ireland recognises the truth of life from conception, and to take that vulnerable life away is a huge breach of human rights.
