1) DEVOLUTION
Abortion is a devolved issue. What right has an unelected committee like the women's equality committee to interfere? Such attempts undermined our executive and it's half hearted attempts to get going again.

2) DISTINCTIVE LAW AND CULTURE
I am full in support of the law staying as it is as I agree with Lord Shirkwin who in the house of Lords said that "Northern Ireland is the safest place to be diagnosed with a disability before birth." Our law saves the lives of the most vulnerable in our society. Children with down syndrome deserve life as much as anyone else. Yet in England and Wales 90% of babies diagnosed before birth are murdered.

3) HUMAN RIGHTS & EQUALITY
