1) DEVOLUTION
Recent ComRes polling of NI adults shows that 64% of people think that abortion should be decided by Northern Ireland’s elected representatives, rising to 66% of women and 70% of 18 to 34 year olds.

2) DISTINCTIVE LAW AND CULTURE
As Lord Shinkwin put it recently in the House of Lords, “Northern Ireland is the safest place in our United Kingdom to be diagnosed with a disability before birth.

3) HUMAN RIGHTS & EQUALITY
Many women, men and children see a better and more human way ahead which values the life, health and dignity of both as far as possible.
