1) DEVOLUTION
Many in Northern Ireland do not wish for a law imposing abortion on this Province.

2) DISTINCTIVE LAW AND CULTURE
The law of God is always higher than laws that men create. Abortion is and will always be morally wrong.

3) HUMAN RIGHTS & EQUALITY
Babies have a unique set of DNA from the womb. There are 2 people to consider in pregnancy. Both of them have the right to be valued.

4) PERSONAL STORIES
The sanctity of life should colour the way we treat others. I want to treat those around me with dignity and respect, particularly those who are not able to speak up for themselves.
