1) DEVOLUTION
I definitely think this should be decided by the elected representatives in Northern Ireland. There is a completely different culture and ethos here.

2) DISTINCTIVE LAW AND CULTURE
I am thankful that the law on this issue is different in Northern Ireland. There is a tendency to use the laws as they are in the rest of the UK to use abortion as a means of contraception.

3) HUMAN RIGHTS & EQUALITY
I believe the human rights of the child are as important as the mother.
