Dear Karen

You recently asked two questions, for answer on 9 February, on social care expenditure:

Karen Buck MP (Westminster North) To ask the Secretary of State for Health, what the change has been in the proportion of gross current social services expenditure on personal social care for those aged over 65 years by each local authority in the period from 2001-02 to 2010-11. [94657]

Karen Buck MP (Westminster North) To ask the Secretary of State for Health, what the change has been in the proportion of gross current social services expenditure on meals for people aged over 65 by each local authority in the period from 2001-02 to 2010-11. [94656]

Further to my reply of 9 February, I can confirm that the information has been collated by the NHS and social care Information Centre, and I enclose a copy. The information will also be placed in the Library.

Yours sincerely

PAUL BURSTOW
