Dear Clive

Further to the Oral Question on Alternative Education on 15 December 2021, I would like to thank you for your question and write to clarify my answer regarding home education and the prospect of a form of registration.

I would like to confirm that we have not yet published the government response to the the Children Not in School consultation, but we have processed all responses and hope to publish our response in early 2022.

I hope this answer has been useful and I will place a copy in the House Libraries.

Yours sincerely,

BARONESS BARRAN

PARLIAMENTARY UNDER-SECRETARY OF STATE
