7<sup>th</sup> June 2022

Further to your question on 10 May, I promised to write to you regarding the countries the UK Armed Forces provided training for between 2011 and 2021; which Armed Service provided the training for each of those training programmes; and the names of those courses the personnel attended were.

The attached spreadsheet contains the information for 2011–15, and 2020–21. Information on military training from 2015–2020 has already been disclosed to the House. You can find this data on UK Parliament website at <https://depositedpapers.parliament.uk/depositedpaper/2282577/files> (for the financial years between 2015–18), and <https://questions-statements.parliament.uk/written-questions/detail/2020-07-06/69743> (for financial years between 2018–20).

A copy of this will be placed in the Library of the House.
