Dear Deposited Paper Clerk

It is a requirement to publish a summary of an Accounting Officer Assessment (AOA) for all Government Major Projects Portfolio (GMPP) projects and programmes at Outline Business Case Stage (updated at Full/Programme Business Case stage as appropriate) or when a project or programme joins GMPP. The AOA summaries must be deposited in the House of Commons Library ahead of being published on Gov.uk.

Attached is the UK Seafood Fund summary AOA for depositing in the House of Commons Library ahead of publishing on gov.uk. The AOA summary has been approved by the Senior Responsible Officer (SRO) and the Defra Permanent Secretary.

I would be grateful if you could arrange for this to be placed in the Libraries of the House.
