Dear Maria,

I undertook to write to you in answer to your Parliamentary Question (5944) of 11 December 2023 about what the monetary value is of stock marked E0 on the CRISP inventory management system.

In my answer of 12 December 2023, I was unable to provide the details as the data needed to be drawn from multiple areas across defence and required additional time to collate and reconcile.

We have now undertaken this task and can confirm that at end of November 2023, the monetary value of stock marked as E0 on the CRISP inventory management system is £1,521,223,674.

A copy of this letter will be placed in the Library of the House.

Yours sincerely,

JAMES CARTLIDGE MP
