April 2024

Dear Sir / Madam,

I would like for the accompanying document to be placed in the Library.

It consists of the Terms of Reference for the Veterinary Medicines Working Group. This group first convened on Monday, 25<sup>th</sup> March 2024, with the purpose of developing a common understanding of the issues facing the supply of veterinary medicines into Northern Ireland. It is a technical forum, drawing on members' expertise in order to advise the UK Government on how best to safeguard the flow of veterinary medicines from Great Britain into Northern Ireland. The working group's considerations will lead to the drafting of a report, which will summarise members' recommendations.

Thank you for your attention.

Yours sincerely,

**LORD DOUGLAS-MILLER**

**The Rt Hon STEVE BAKER MP**
