Dear Maria,

I undertook to write to you in answer to your Parliamentary Questions of 11 December 2023 about how much stock on the CRISP inventory management system is currently marked as (a) A1 and (b) E0.

In my answer of 12 December 2023, I was unable to provide the details due to the amount of time it would take to analyse the CRISP data.

We have now undertaken this task and can confirm that at end of November 23, on the CRISP inventory management system the quantity of stock marked as A1 is 7,081,462 items and E0 is 158,329 items.

A copy of this letter will be placed in the Library of the House.

Yours sincerely,

JAMES CARTLIDGE MP
